The Secret Lives of Librarians

Tuesday, April 19
4:00 - 5:30 pm
Science Center L26

A panel of Swarthmore alums will share their stories about librarianship.

PENALTY POINTS: In order to provide equity of access to Reserve materials and laptops, penalty points accrue for these items on an hourly basis. Once a student accrues 20 penalty points for Reserves (1 point per item per overdue hour) he/she loses the privilege of taking Reserve materials out of the library for overnight use for a period of two weeks. The limit for laptops is 1000 points (150 points per hour) at which time the student will be blocked from laptop use for the remainder of the semester.

At this time in the semester, many students are vulnerable to being blocked. Be extra careful to return Reserve material and laptops on time!
