TRACK TEAM WINS FIRST MEET

DEFEATS N. Y. U. BY SCORE OF 56½ TO 47½

The track team opened its season on Saturday by a victory over New York University by the score of 56½ points to 47½. For a while the score was very even, but after Jones and Van Hollen had taken first and second places in the quarter mile, the outcome was hardly ever in doubt.

The track was in splendid condition, and for that reason most of the times were very good. Thorne, of New York, and Froelicher, of Haverford, divided honors for the number of points scored. Thorne won the mile and two mile with the greatest ease, and was beaten by Falconer in the half mile by the narrowest margin, while Froelicher won the high jump and shot-put, and in his first try at the high hurdles, won second place. In the shot-put he broke the record made by himself last year by almost two feet.

Captain Thomas also did extremely well, winning the hundred-yard dash and the two-twenty by a good margin. In the two-twenty he tied the college record.

Two of the closest races of the afternoon were the quarter mile and half mile. In the former the New York men led until the beginning of the straight-away, when both our men passed them, winning first and second places, while in the half-mile, Falconer passed Thorne within a few yards of the tape, winning by inches. Other winners of first places for us were Moon and Porter, who won the hammer-throw and pole-vault, respectively.

Next week we meet Lehigh, on Walton Field. We have not beaten their track team for five years, but hope to do a little better this time. Last year we lost by a very narrow margin, and this year, with almost the whole of last year's team back, it looks as though the victory should be ours.

Summary:

100-Yard Dash—First, Thomas, Haverford; second, Smyth, N. Y. U. Time, 10.2.

Mile Run—First, Thorne, N. Y. U.; second, Van Sicle, Haverford. Time, 4.58.

Shot Put—First, Froelicher, Haverford; second, McLaughlin, N. Y. U. 39.4 feet.

220-Yard Dash—First, Thomas, Haverford; second, McManus, N. Y. U. Time, 22.3.

Pole Vault—First, Porter, Haverford; second, White, N. Y. U. Height, 10 feet.

Two-mile Run—First, Thorne, N. Y. U.; second, W. G. Bowerman, Haverford. 10.40.3.

220-Yard Hurdles—First, Smyth, N. Y. U.; second, McKinley, Haverford. 28.2.

High Jump—First, Froelicher, Haverford; Maier, Haverford, and McLaughlin, N. Y. U., tied for second. Height, 5.6.

Quarter-mile—First, Jones, Haverford;

CAP AND BELLS BANQUET

NOTED ASSEMBLAGE GATHERS FOR ANNUAL DINNER

Last Friday evening the Cap and Bells Club held its annual banquet at College, a function that is rapidly becoming a feast of the intellect as well as the digestion and is a red letter day in eyes of the members. There was indeed a tone which is seldom attained in similar functions. To explain this it will be sufficient to name the guests and speakers. A great deal has been said when we name the toastmaster, Dr. Francis B. Gummere, whose interludes as one of the speakers, Dr. Froelicher, of Gaucher College, said, reminded him of "German layer cake. There are layers of cake, with something very sweet in between." The evening opened with a talk by the president of the Club, "Our pious founder," as he was introduced, C. Linn Seiler, '02. He spoke of the progress made by the Club and said that it was due to the atmosphere of Haverford. Then Dr. Cornelius Weygandt, of the University of Pennsylvania, gave a talk on his experiences as theatrical critic on the old *Evening Telegraph*. One thought particularly he gave: "To me a lyric poem is not a lyric poem until read by a poet, nor good drama good drama till interpreted by accomplished players." He held his listeners spellbound with his rambles and anecdotes and closed by hoping the Club would continue to seek good things to do. Henry M. Thomas, Jr., outlined the doings of the Club. Mr. Froelicher responded to a toast and complimented the Club on its work for the past two years. Mr. Knowlton, who had been especially mentioned in several speeches as the one to whom this year's success was largely due, thanked the Club for its courtesy and his warm welcome. He would have us believe that the opposition to the Club is more visionary than real if the Club continues to show as good a quality as was this year exhibited.

Then came President Sharpless. Does he get so accustomed to enthusiastic greetings that one more or less doesn't matter? Certainly the one that he received from the thirty-odd Haverfordians present would have pleased the ordinary man. What he said was perhaps the sweetest music that the members of the Club could hear. Perhaps it was because his speech was considered a sword of Damocles. But though he was not an enthusiastic supporter, he did admit that there was much to be said in favor of the Club if they confined their efforts to good taste. This is the

NEW FOOTBALL COACH ENGAGED

KEOUGH, OF PENN., TO TAKE CHARGE OF TEAM NEXT YEAR

John Keough, a Senior in the Dental School at the University of Pennsylvania, has been engaged to coach the football team next year. There were more than seventy-five applicants for this position, among them many excellent men, as well as a number of the other variety, but after a great deal of work the present man was finally decided upon.

Keough entered Amherst in the fall of 1908 and played on the team there. The next year he entered the University of Pennsylvania, and played on the Freshman football and basket-ball teams. He has played on the Varsity basketball team for the last two years, and has, in addition, secured his football letter each year.

Penn is noted for its excellent style of football, and Keough was always known as one of the snappiest players on the team. Although very light, he starred in all the games in which he played. He has more snap and go about him than any coach we have had for years, and is sure to instill into the men a spirit equal to that with which we beat Lehigh two years ago.

In addition to his football and basket-ball, Keough has done some track work, and will assist in coaching the track team out here. He will also take charge of the Freshman and Sophomore gymnasium work.

CRICKET TEAM LOSES

PHILADELPHIA CRICKET CLUB WINS GAMES BY SCORE OF 121 TO 105

The cricket team lost to the Philadelphia Cricket Club team, at St. Martins, on Saturday, by the score of 121 to 105. The visitors were not particularly good, but our men were unable to do anything against them. Five Haverford men were retired without making any score, while our highest man was S. E. Stokes, with 28 runs. L. V. H. Thomas came next, with 26, while Brinton was third with 21 runs. No one else made any kind of a score. The fielding, however, was considerably better than the batting. Several men were caught out, and there were almost no dropped catches. Brinton was the best bowler for the college. He retired five batters for forty-seven runs. Maule, in the six overs that he bowled, secured two wickets, and only allowed ten runs, giving him the highest average of the day.

THE HAVERFORD SUMMER SCHOOL

Dr. Jones and Mr. Cadbury are rapidly completing the final plans for the Haverford Summer School to be held at the College from June 24 to July 3. This school, the fourth of its kind to be held at Haverford, might better be described as a conference on religious subjects. Public lectures will be given morning and evening by some of the best speakers ever invited to Haverford and experts on the topics discussed. Three lectures on the deepening of spiritual life are promised by Dr. Hugh Black, of the Fifth Avenue Presbyterian Church of New York; Dr. F. C. Porter, of Yale, will give two lectures on "Apocalyptic Literatures;" Dr. G. H. Ferris, of the First Baptist Church of Philadelphia, and Dr. R. M. Jones, of Haverford, will speak on the meaning of religion, and Dr. Bewer, of Union Theological Seminary, is preparing a series of lectures on the "Poetry of the Old Testament." Several speakers will present problems of Social Work, both in the city and in the country, and this will be one of the important features of the programme.

The Summer School is in charge of Friends and one hour each evening will be given over to the discussion of some topic of denominational interest, with a special week-end conference for young Friends on the Message of Quakerism. But the greater part of the programme will be of general interest to all, and all the alumni Friends and neighbors of Haverford are cordially invited. A large attendance is expected, including many from various parts of this country and from England. For the full programme shortly to be issued, and for information about securing rooms and meals at the School, application should be made to Henry J. Cadbury, Haverford Pa.

BOY SCOUTS TO PERFORM BEFORE THE CIVICS CLUB

At the annual meeting of the Civics Club, to be held Friday night at 6.45 in the Union, Mr. Isaac Sutton, Scoutmaster of the Ardmore troop, will put some of his boys through their paces. The "Scouts" will make a fire by rubbing wood, give signals and demonstrate "first aid." Mr. Sutton will give a short talk, and there will be a chance after the meeting to ask questions and further examine the work of the "Scouts."

BASEBALL

The other day a meeting was held by a number of students, the object of which was to arrange for baseball games, to be played on Merion Field. The plan is to organize a team in each dormitory and hold a series of games, each hall playing every other hall one or more times.

In one way this is a splendid idea, and one which deserves the greatest encouragement. There are always a number of fellows in the spring who participate in no form of athletics, and many of them will now have a good healthy form of exercise to keep them out of doors during the rest of the spring, and probably many who would not even go out for these teams of their own accord will be forced into it by their classmates, in order to make up a full team.

But in another respect this is one of the most harmful things that has been started at Haverford for some time. Among the plans of these ball-players is that of organizing a nine, and playing games with outside teams, under the name of the Walton Field Club. This may at first sound like a good idea, but on closer inspection, its faults will readily be seen. In the first place, it cannot help taking men from cricket, as this club will always put the strongest possible team in the field, and the best baseball players in college are members of the cricket team. Then, too, the team will hardly be able to compete successfully with even Prep. school nines, but the schools against which it plays will feel that they are playing the best team that Haverford can put out, and winning by a comfortable score. And sooner or later one of their newspaper correspondents will forget the real name of the team, and there will appear in all the papers, the heading "Coopertown High School, 18; Haverford College, 1,"

or some equally startling notice. And when the players go home for vacation, if asked whether they play on the college baseball team they will immediately answer in the affirmative, without adding that Haverford does not support a regular team, nor recognizes baseball as one of its regular sports.

The question of having a regular baseball team has been brought up so often, and voted down so regularly, that there appears to be need to give any arguments against it. But this seems like a direct attempt to establish baseball here at Haverford, and sound the death-knell of cricket, for which we are famous both in this country and abroad, and which we will be able to play long after we are too old to properly curse a baseball umpire. Therefore let us close by wishing the best of success to the Inter-hall League, and a quick and painless death to the Walton Field Club.

PENN RELAYS

Haverford Team Runs Well on Wet Track

On Saturday, April 27, the Haverford College Relay Team won third place in its event at the U. of P. Relay Carnival on Franklin Field. It was raining and the track was in atrocious condition, but in spite of this, fairly fast time was made. The heat in which Haverford ran was the fastest of the afternoon, with the exception of the championship race between Princeton, Penn and Michigan, and was won in 3.32. The two teams which finished ahead of Haverford were Ohio-Wesleyan and Fordham. Our relay team consisted of Thomas, Parker, Van Hollen and Jones.

BALTIMORE ALUMNI BANQUET

DR. JONES GUEST OF HONOR

The annual Alumni Dinner of the Baltimore Alumni was held on Saturday night at the Baltimore Club. About twenty-five persons were present and all seemed very enthusiastic about Haverford. Dr. Henry Thomas presided. Dr. Rufus M. Jones was the guest of honor and made a very good speech on "Haverford Past and Present." The next speaker was Miles White, Jr., '75, who gave a good talk on "Education." He was followed by Hans Froelicher, Jr., '12, whose subject was "Haverford from an Undergraduate point of view." The last speaker of the evening was Dr. Winslow, '67, who spoke on reminiscences. Acting as a suggestion of Mr. Froelicher's, plans were made to secure a larger delegation of Baltimore students for Haverford and with this end in view a committee was appointed. Those serving on this committee were Mitchel Froelicher, '10, Havelin Norris, '08, and Charles Thompson, '09. The officers of the Baltimore Alumni Association for next year will be: Mr. R. H. Holmes, president; Mr. Janney, vice-president; and Mr. Dutton, secretary.

LATHEM CHESS CHAMPION

WINS 25 GAMES

The annual chess tournament, although not finished, has come to an end, as only a few more matches remain to be played and the best players have met all their opponents. Lathem, '12, easily won the championship, being victorious in all his matches and ending the season with twenty-five games to his credit, two drawn and two lost.

The annual elections of the club were held last Wednesday and Lathem was elected president, with Bowerman, '14, secretary-treasurer. From a financial point of view the club has had the most successful year in its history, ending the season with a balance of over two dollars.

From the point of view of games played, the team has not been so fortunate, as no matches have been won. Two were drawn, however, and the fact that the team has not succeeded in securing more victories is due to the hard schedule which has been played and which includes some of the best teams in Philadelphia.

TRACK MEET POSTPONED

The annual Inter-class Track Meet which was scheduled to be held last week had to be postponed on account of bad weather. Last year this meet was won by the class of 1913 and it seems very probable that this year's contest will result in the same way.

Most of the class and team pictures for the year-book were taken last Thursday.

TENNIS SEASON OPENED

COLLEGE TOURNAMENT WELL
UNDER WAY

Paul Brewer and his assistants in the tennis department have filled in and marked out the four tennis courts and the tournament, which is to decide the players who are to represent the college this year, was begun last Monday. The first round has been completed, the following being the survivors so far recorded:

Doubles—Young and Beatty; H. Thomas and Ritts; Crowder and Longstreth.

Singles—Hallett, E. I. Miller, E. Stokes, Votaw, Ritts, Van Sickle, Gummere.

A number of meets have been arranged for with other colleges which will probably be played on the courts of the Merion Cricket Club. The first team to be met will be Lafayette on Wednesday, with Cornell on Saturday.

Last season the tournament with Lafayette resulted in a tie, while Lehigh won the second to be played by a score of 3 points to 2. This year everyone is hoping for a season as successful as the present prospects would indicate.

Lehigh will be played on the 15th and Swarthmore, who was defeated last year, on the 22d; Cornell and Delaware are the new names added to the schedule.

Below are printed the accounts of the football and soccer departments. I publish these partly because of interest expressed by any alumni and undergraduates, and also because of the painstaking and excellent work done by the two managers in question. The other departmental accounts are of course not yet completed.

THIRD TEAM CRICKET

DEFEAT WILLIAMSON BY SCORE OF 151-34

The cricket team from Williamson School came to Haverford on Saturday afternoon for their annual match with the college third team. The crease was in fine condition and the latter team had no trouble in rolling up a score of 151 with two men retired, while Williamson found Webb's breaks and the fast balls of Downing and Coleman a little too much for them and only succeeded in totaling 34 runs.

Webb made the best bowling average, with 4 wickets for 6 runs and likewise took high score with 54-retired. Elkinton ran up a score of 32 retired and Downing and Coleman tied throughout with 3 wickets and 18 runs each to their credit. The fielding, however, was poor; a number of easy catches were missed and the balls were not returned well.

Geiltski took 5 wickets for Williamson at a cost of 61 runs, Balorf taking three.

The third team plays North East Manual on Wednesday afternoon and will have a number of teams on its schedule in the next three weeks. There is always a chance for men who have been working in the nets to play in these games and a number of fellows who have not played before this year are showing up well.

OWNERS OF OLD CLOTHES, ATTENTION!

Mr. Long, the head of the Inasmuch Mission, at Locust and Warnock Streets, spoke to the Y. M. C. A. the other evening, and told of his experiences during a twenty-year sojourn in the underworld, and of his conversion two years ago, when, after being turned out of the penitentiary to die, he wandered into a Salvation Army meeting. This conversion led him, with three men who had been equally bad characters, to found the mission in the worst place he had ever seen, and which was fittingly called "Hell's Half Acre." The work of this mission has been little short of marvelous; men in the lowest depths of degradation have been redeemed, and sent forth into the world again as good, Christian characters.

One of the main endeavors of the mission is to find work for its converts, and for this purpose Mr. Long has asked that if any of the fellows have any old clothes which would be thrown away or otherwise disposed of, they may be given to Moon, Durgin or Nicholson to be sent to the mission. This is certainly a better way to dispose of them than to sell them for almost nothing to the old clothes man.

most encouraging word yet heard from the powers that be. After the President, Elliot Field, '97, the Reverend now, responded to an impromptu toast, and expressed his pleasure in being a member of the Club and promised his support in the future. Dr. Spiers was the last speaker. He spoke of the Cap and Bells as the most important of the lesser branches of the College bush, but with a definite place in Haverford. The banquet closed by singing "Comrades" and was voted as one of the best banquets of the year.

Burglary Insurance

Records show that in the large cities and suburbs there are four times as many burglaries as there are fires. We issue the broadest Burglary Policy written. It is free from all technicalities and many of the restrictions of other policies. The cost is little and the protection great. We would be glad to call and explain.
