TIGERS TIED IN STUBBORN CONTEST

HAVERFORD DIVIDES HONORS IN FIRST INTERCOLLEGIATE SOCCER GAME

Haverford opened her Intercollegiate Series in soccer on Thursday afternoon by tying the Princeton team in a one to one score. Haverford made her tally in the first five minutes of the game when Cary and Buzby by a bit of clever passing got the ball within shooting distance of the enemy's goal and Buzby landed a neat one in the corner of the net. The visitors failed to score until the second half was several minutes old when the Princeton line got by the excellent defense of Coleman and Hallett at fullback positions and Hoskins put the ball in with a low clean shot.

From that time on, though the Haverford line was in Princeton territory a number of times, the excellent work of Jackson, their goal tender, prevented any farther scoring. Once the ball was put into their net when LeClerq by a brilliant exhibition of foot work got by the Princeton backs and shot the ball into the goal while the usually cool-headed Jackson was drawn out to meet his attack. Unfortunately a foul by one of the Tigers caused Referee Bishop to blow his whistle as the ball was leaving LeClerq's toe before it had nested in the net, so the goal could not be counted. The penalty kick by Cary was stopped by Jackson.

Princeton now endeavored to come back hard and to break the series of ties which has followed her

Founders' Society Banquet Date Decided Upon

The Founders' Society held a meeting in Lloyd Hall on Thursday, November 12th. President R. M. Gummere presided. It was decided to have the annual banquet on Tuesday, December 22d, at the Franklin Inn Club, St. James and Camac Streets, Philadelphia. President Gummere announced that an investigation of Alumni records would be started with the purpose of increasing the enrollment of the Society. Those present at the meeting were, Dr. F. B. Gummere, '72, Dr. R. M. Jones, '85, J. H. Scattergood, '96, Dr. R. M. Gummere, '02, T. K. Brown, '06, C. T. Moon, '12, R. Miller, '12, I. C. Poley, '12, J. Tatnell, '13, Roy McFarlan, '14, G. Hallett, '15, K. Taylor, '15, and W. Allen, '16.

Great Struggle Ends in Tie, 3 to 3

BOTH LINES IMPENETRABLE, AND SCORING POSSIBILITIES WERE LIMITED TO DROP-KICKS

After a truce of ten years Haverford renewed hostilities Saturday afternoon with her great old rival, Swarthmore College, and after an hour's terrific battling, was forced to be contented with a tie by the score of 3 to 3. We wanted a victory badly—there is no doubt of that—and we wanted to get the jump on the Garnet and start off a long, winning streak by capturing the first game of the new series, but we will all admit that Swarthmore deserved every one of her three points for the grand "come back" which she made in the last five minutes of play.

The game was played on our own Walton Field, the regular and temporary stands were crowded, two bands played industriously whenever they could make themselves heard above the cheering, red and black cutflashed garnet and white by a small margin, and there was a true football atmosphere on all sides. The weather was also of the best football variety, but a stiff chilly wind made blankets from the "dorms" in demand. We had Swarthmore's "goat" in the cheering section under the care of "Ernie" Brown while in the opposite East Stand Swarthmore students carefully guarded Haverford's "nanny." The result of the contest seemed to prove both mascots equally effective and it might have been a good thing to have had another "goat" on hand to turn the fates in our favor.

The game itself uncorked many surprises. Foremost among these was the adamant defence which both teams offered. There were only one or two points in the play at which a touchdown seemed possible and repeatedly the lines held the team on the attack for downs and forced them to kick—either a punt, or a drop-kick in an attempt for a field goal. On the record of the past games of this season Swarthmore was known to have a heavy line-smashing backfield and Haverford was credited with an attack featured by fast open-field running, but on Saturday afternoon neither of these systems gained much ground for their respective teams. Our line piled up interference and threw back plunges like a wall while our backfield found difficulty in getting started and seemed especially handicapped by

the treacherous condition of the field. This hindered both sides, however, and often a runner would slip after a quick turn to find himself tackled for a loss of five or six yards.

The stubborn defense of their opponents quickly made both teams realize that the best chance of scoring lay in drop-kicking. After three periods of a scoreless tie Haverford in the final quarter gained possession of the ball and advanced to Swarthmore's 10-yard line on a perfect onside kick to "Marney" Crosman following two penalties. There we were unable to gain through the line, and Cary, dropping back to the 17-yard mark accurately dropped the ball over the bar. Previously he had made four other attempts, two of which were very close. In the second period "Allie" Cornog of the Garnet eleven had had hard luck with an attempted drop kick which hit the west goal-post, dropped to the ground, and bounced over the line for a touchback. Now again about five minutes before the final whistle he was presented with another opportunity on Haverford's 25-yard line after Swarthmore had advanced the ball on three pretty forward passes and had been held for a fourth down. He dropped back and sent the ball swift and true for a score that saved his team from apparently certain defeat. Carey's goal had set Haverford supporters wild with visions of victory but Cornog's goal now made all feel that, unless something unexpected happened, a tie would be the result. This proved to be the case as the whistle blew before a fresh opportunity was given for either side to score.

The all-round work of Captain Carey, the accurate punting of "Marney" Crosman, and the aggressive playing of Howland, stood out prominently for Haverford in this game Saturday, but the great fact that was most evident was that every one of our eleven men was every minute playing the game of his life and fighting for Haverford as never before.

STRONG SPIRIT SHOWN AT SWARTHMORE SMOKER

ALUMNI TELL OF FORMER GAMES AT ENTHUSIASTIC MEETING BEFORE BIG GAME

The spirit of the old days of Swarthmore games was revived and energetically brought home to a large gathering of Haverfordians at the smoker on Friday night. All the seats on the big gym floor were filled and the cheers and songs were snapped out in a stirring manner. Many of the speakers were men who had played against Swarthmore in former years, some in the famous game of 1898, when we scored our last victory over the Garnet.

Henry S. Drinker, Jr., '00, presided at the meeting and introduced the speakers with a genial good nature that kept things moving smoothly.

Eliot Field led the new song "Turn Around and Go 'Way Back Home," which he has recently composed and which has been learned by the student body.

H. Norman Thorne, '04, spoke of the development of the team under Bennett since the squad went to Pocono, and the wonderful fights put up against heavier teams. Dr. Bennett, however, was quoted as saying, in no uncertain terms, that "a moral victory may be all right, but we certainly did need to win a game." Mr. Thorne ascribed any success the team might have not to weight of men or supremacy of raw material, but to what he was pleased to call "Haverford guts"—the spirit in the players and in

The Spirit of Good Sportsmanship

There was one impression of Saturday's game that perhaps stands out more clearly than any other, and that was the absolute observance by all supporters and all players on both sides of the spirit and letter of the law of good sportsmanship. Yet the rivalry could hardly have been more intense. We cannot express a more sincere hope than that such relations between these two institutions may continue in the future history of the games to be on as high a level.

Music Study Club Concert

The News is thoroughly in accord with the present movement inaugurated at the college by the Music Study Club to get a sinking fund that will enable them to have well known singers from town, guarantee the price asked, and at the same time be able to give to undergraduates a chance to hear first-class music at twenty-five cents admission. For just this purpose the concert advertised on the front page, is being given on December 2d. The artists of the occasion are Mrs. Jessie Fulweiler Spiers, and Mr. William Beatty, Jr., both of Wayne. Mr. Beatty is a master particularly of rollicking full-voiced songs that carry you off your feet with their swing and lilt.

Class Reunions

The eve before the Swarthmore game brought out to College a greater number of reunions of Haverford Alumni than have taken place for a long time. The younger

classes, were especially in evidence, but the older grads were also well represented. One of the largest gatherings was that present at the combined reunions of the classes from 1903 to 1909 in the old Y. M. C. A. room. Other classes met in the Union, and some had dinners in Founder's Hall and the Merion C. C. The most unique dinner was that tendered by Captain H. H. Lowry, '99, to his teammates of the famous eleven of '98, who helped in the victory when Haverford triumphed over Swarthmore by the score of 12-0.

Seniors get "Bug" Championship

The Seniors captured the Woglebug football championship Monday afternoon, by defeating the Sophomores on Merion Field 6-0. The upperclassmen played the better game, although the Sophs held them well and only once allowed them to score. The Seniors, however, were successful in most of their trick plays and worked together well, while the Sophs showed lack of practice, and could make few gains on trick formations.

The touchdown was scored by Hallett, who caught a forward pass from Bowman, with a clear field before him. There being no goal posts on Merion Field, the question of the seventh point was left undecided.

Leland and Shaffer played well for the Seniors, while Brodhead on the line and Weston in the backfield fought hard for the Sophomores. The line-up:

SENIORS	SOPHOMORES
Wagner C. Brown
Howson McKinstry
Walton Metcalf
Votaw Brodhead
Webster Forsyth
Whipple Baily
Hallett C. Van Dam
Leland Jones
Shaffer Strawbridge
Bowman Little
C. Carey (Capt.) Weston
Touchdown Hallett. Referee—E. Farr, '15. Head Linesman—Clement, '17. Substitutions—Miller for Forsythe, Moore for Whipple, Whipple for Moore, Moore for Howson, Howson for White, Allen for Howson.

Former Professor Speaks on Stars

A former Haverford professor, Dr. Walter M. Mitchell, interested the Scientific Society, on Tuesday evening, with a discourse on astronomical photography. He threw on the screen some excellent photographs of the celestial bodies, including one of the moon, which is said to be among the best ever taken. The great volcanic craters, the mountain ranges, and the peaks throwing their shadows on the cold dry plain could be readily seen. Star clusters with their myriads of distant suns were photographed on some of the slides and several presented pictures of nebulae, or great clouds of gaseous matter radiating light—solar systems in process of formation. Dr. Mitchell showed a number of pictures of comets, and explained how they wander around through space with their tails always away from the sun, so that when a comet is moving away from the sun, its tail is pushed in front of it.

Dr. G. A. Barton Speaks at Y. M. C. A.

At Thursday's Y. M. C. A., in the Union, Dr. G. A. Barton, Haverford, '82, and Professor of Biblical Literature at Bryn Mawr, spoke on the need of a more active cooperation between our religion and our ethics. He said there were a great deal too many like those invited to the rich man's feast, who approved of the feast, but invented excuses for not coming to it. Just as those men approved and did not come, there are many who approve of religion, but do not take an active part in trying to unite with their approval some betterment of their ethics, and thereby broaden their religion.

Dr. Spiers on "The Allies"

Dr. Spiers, last Wednesday evening, in the Union, gave a short talk on the "Allies." He said that he had conclusive proof of the alleged brutality of the Germans in their treatment of the Belgians. To the charge that France had been a menace to Germany ever

since 1870, he pointed out the fact that Germany had on five different occasions, threatened France since that time.

Dr. Spiers said that German scholarship and learning had suffered a decline since the time of Goethe and Schiller. The reason for this was the tendency in Germany to subordinate everything to militarism, so that even the philosophy of the country had become filled with it. It is an accepted maxim in Germany that "the test for a nation's greatness lies in its determination and power to subjugate, and, if possible, destroy, other nations." "Will the world stand for the increased power of such a nation?" Dr. Spiers asked in conclusion.

Woglebug Banner

Celebrating the Seniors' victory, an elaborate banner appeared over the fireplace in the dining-room Monday evening. It depicted in glowing colors an impressionistic conception of Woglebugus Haverfordiensis, and was apparently a product of the Merion Menace Printing Co.

BIG SOCCER MEETING AT HAVERFORD

On Thursday evening there was held at the college an informal meeting by the Association Football Committee of the National A. A., which discussed the present aspect of soccer in the schools about Philadelphia. Many speeches were made, booming soccer for the schools, and touching on the following points:

1. Advantage of soccer as an outdoor sport, over indoor gymnasium work. 2. Since it is a winter sport, and continues after football, it enables football men to avoid a sharp let-down after hard training. 3. It is a fine game for boys under eighteen who cannot stand up under the grind of football. 4. It is free from liability to cause serious injury, or to bring on weak heart or organic trouble. Coaching problems were considered, and it was also decided that a list will be made up of all the schools having soccer teams. Dr. R. M. Gummere presided over the meeting, and President Sharpless introduced as the first speaker Tait McKenzie, of Pennsylvania University. Several of the Princeton and Haverford soccer teams were present, and Manager Crosby of Princeton spoke. Representatives from the different schools all said a word concerning soccer conditions where they were.

The following were the representatives from the various schools: L. R. Thomas (Westtown), P. Bishop and J. K. Garrigues (Haverford School), W. L. Phillips (Lansdowne High School), Isaac Porter (Penn Charter), Rubin T. Shaw (West Phila. High School), B. Smith (Bryn Athyn), Thorpe (St. Lukes), Robert Cooke (George School). Those from the college present were President Sharpless, Dr. R. M. Gummere, Dr. Babbitt, P. Hendricks, E. Pharo, T. Hoopes, and E. Stokes (representing Moorestown Cricket Club). Through the kindness of Mr. and Mrs. Sanger, dinner was served for all at 6.30 in the old Y. M. C. A. room.

Clean Record against Cornell

Never in Haverford's intercollegiate soccer history has she been defeated by Cornell, and she does not intend to establish a new precedent at this week's game. Eight times since 1906 the teams have met, and each time Haverford has been the victor. The former scores are as follows:

- 1906 (April) Haverford 3, Cornell 1.
- 1906 (Nov.) Haverford 2, Cornell 1.
- 1909 Haverford 5, Cornell 0.
- 1910 Haverford 3, Cornell 0.
- 1911 Haverford 2, Cornell 1.
- 1912 Haverford 3, Cornell 2.
- 1913 Haverford 6, Cornell 1.
- 1914 (March) Haverford 2, Cornell 0.

(Continued from page 1, column 4.)

the college that is worth more than avoirdupois.

Dr. Thomas F. Branson, '87, who coached the team in the late 90's, paid a tribute to Bennett as the best coach Haverford has ever had. H. H. Lowry, '99, who captained our last successful battle with Swarthmore, expressed confidence that we would soon even up the score by capturing two successive victories. "Buck" Chambers told his famous story of finding twelve cents on Whittier Field while practising signals before the 12-0 victory. Frederick C. Sharpless, '00, admitted that, Swarthmore could play football "if they were not good for much else," but said that it was up to us to beat them even at this. L. Hollingsworth Wood, '96, divided Haverfordians into two classes, those who had seen Swarthmore beaten by Haverford and those who hadn't, and expressed a desire that many new members be taken into the first-named fraternity.

The enthusiasm of the gathering aroused an impatient eagerness to "get at that Swarthmore bunch again" and show them what they're up against when they play Haverford.

(Continued from page 1, column 1.)

in all her Intercollegiate games this year with two exceptions. One nervous save by Gummere and the looming bulk of Coleman at full saved the day for Haverford however, and the line soon had the ball back in Princeton's territory though its repeated shots either went a foot or so to either side of the goal or were punched out by the ever ready Jackson.

After the game was called the captains decided to play two additional periods of four minutes each in an endeavor to break the tie. Though the efforts of each team were redoubled in a vain trial to bring in entire credit for the game the Fates evidently willed otherwise, for one point a piece according to Intercollegiate ruling remained to the credit of each side.

Princeton is now at the head of the League with five points to her credit and one game to play. Haverford is at the bottom with one point and five games to play. The line-up:

fumbled Swarthmore's kickoff, Swarthmore recovered the ball, but lost five yards on three plays around the wings. Captain Clime sent a weak punt to Carey who ran it back to mid-field. After Haverford was held for downs another interchange of punts took place; Ramsey fumbled; and then Crosman gained thirty yards in another exchange of punts with Clime which gave Swarthmore the ball on her 10-yard line. After a five-yard penalty Clime kicked out to Carey who ran the ball back to Swarthmore's 30-yard line and missed a try at a field goal from the 38-yard mark after two unsuccessful line plunges. Clime again kicked; a forward pass from Crosman to Carey gained a first down; and after two line plays Carey tried another drop from the 30-yard line which failed by a narrow margin. Swarthmore then braced; Locke tore off an 11-yard run; Clime punted, and the quarter ended after Ramsey and Crosman had gained a first down. Score—Haverford 0, Swarthmore 0.

Second period. After two line plays Locke of Swarthmore intercepted a forward pass, and Clime, taking advantage of the strong wind, punted to Haverford's 10-yard line. Crosman punted to his 40-yard mark but a forward pass from Clime to Murch returned the ball twenty yards, after which Cornog kicked his drop which bounced off the goal post. Starting on their 20-yard line Haverford gained 15 yards on two plunges by Ramsey and Carey. Offsides setting Haverford back five yards, Crosman punted to Clime who fumbled but recovered. Murch then fumbled and another pass from Crosman to Carey carried the ball to Swarthmore's 30-yard line. Clime intercepted a forward pass to Shipley from a drop-kick formation and Swarthmore advanced to Haverford's 35-yard mark where she was penalized 15 yards. The half ended when Clime was thrown for a 2-yard loss. Score—Haverford 0, Swarthmore 0.

Third period. Swarthmore kicked off to Carey who slipped and fell on his 25-yard mark. Carey slipped through Swarthmore's left tackle for 15 yards, and Crosman, Haverford then being held, uncoiled a punt which the wind carried 60 yards over Swarthmore's goal-line. The garnet team tried to rush the ball but failed and Clime punted to Carey. Ramsey and Crosman failing to advance, Carey tried another field goal which failed. "Allie" Cornog tore off 30 yards and the longest run of the day from a fake kick formation, only being tackled by Carey after escaping the secondary defense. Murch and Clime gained a first down after which Haverford braced. After an exchange of punts Carey narrowly missed a try at field-goal from mid-field. Swarthmore gained 10 yards on another fake kick formation, was held for down, and Clime compelled

to kick. A lateral pass from Ramsey to Carey gained 8 yards, and Haverford kicking, the period ended with the ball in possession of the garnet. Score—Haverford 0, Swarthmore 0.

Fourth period. Swarthmore punted to Carey who rushed the ball back to the 40-yard line. After two penalties which advanced the ball 25 yards, an inside kick and two line plunges brought the ball to Swarthmore's 10-yard line, where from, slightly to the left, Jim Carey kicked his field goal. Score—Haverford 3, Swarthmore 0. Then Swarthmore advanced with three forward passes—Cornog to Stephens, Clime to Murch, and Murch to Clime—which brought the ball to Haverford's 18-yard line where Cornog tied the score. Haverford kicked off to Swarthmore but after a few plays in mid-field the closing whistle blew.

Final score—Haverford 3, Swarthmore 3. Line-up:

Our evening suits chime in with the identical fabrics the most expensive tailors use—the very finest the world produces.

Yet our prices are most moderate, \$42.00 to \$65.00.

Everything else for evening dress—silk hats, silk waistcoats, silk socks, dress shirts, pumps, white gloves and canes.

Everything college men wear.

In the Old Collection Room, Center Barclay.
