The News is published weekly during the school year at Warren (Office of the Treasurer), 225 North 10th St., Philadelphia, Pa., and Haverford College, Haverford, Pa.

Editorials do not necessarily represent the opinion of the entire student body.

A night editor is on duty at the News office in the Haverford Union every evening, except Saturday, to receive by phone or personal interview any news items from any source.

Conflicting Policies

Exactly a month ago on October 23 the Executive Athletic Committee of Haverford College voted that next year Swarthmore should not be met in the climactic game of the football schedule.

Since 1916 we have been futilely striving toward final contests with an institution whose athletic policy is vastly different from our own. Haverford requires that all Freshmen applicants pass College Board examinations.

Perhaps, when the two Quaker colleges severed football relations, the decision was called forth under the stress of the moment but upon this occasion the break in relations amounts to a wise realization on the part of Haverford that a final game played under the conditions of inequality resulting from opposing athletic policies must, in the long run, be unsatisfactory to Haverford's clientele.

This editorial is emphatically not written as a condemnation of Swarthmore policy. Questionably, there are critics among Swarthmore men as sincere a conviction in the virtue of their athletic administration as we know exists among Haverford men in support of their athletic programs.

By removing the Swarthmore game from the final date on the football schedule Haverford is not attempting to criticize Swarthmore. Haverford respects Swarthmore as an educational institution and holds in high regard the individuals that go to make up the college—but Haverford is compelled to recognize that the opposition of athletic policies for such a condition of inequality in major athletic contests, that it is unwise to schedule a Garnet team as a climax for a Scarlet and Black season.

Haverford men must adjust themselves to the conditions that confront its Executive Athletic Committee. Things are not the same in intercollegiate athletics as they were back in the nineties. We cannot allow the sentimentalism surrounding all past Haverford-Swarthmore contests to blind our sight of the conflicting athletic policy that exist in the two colleges today.

To the Alumni

Of the 2200 copies of The News printed weekly, some 1000 are sent to Haverford alumni. Presumably, in the majority of cases, this constitutes the only bond between the alumni and the college.

We doubt seriously that this is due to the absence of such criticism. We hear of it regularly, but through indirect channels. It always seems somehow to get sidetracked before it reaches The News.

A simple solution of this problem was recently suggested by a member of the Alumni Advisory Committee. It is pointed out that if the alumni would avail themselves of the opportunity offered them to express themselves in The News, it might facilitate more accurate knowledge and better understanding among the graduates of the problems and condition of the college.

The Educated Haverfordian

Haverford prides herself on her classical training, especially for the B. A. degree. She turns out men who know their Latin, Greek, and Ancient History.

And now to the point. Does it seem reasonable that any man with the knowledge of the history of Greece and Rome should hope, by that knowledge alone, to stand forth a leader in the world without any knowledge of current happenings?

Yet the Haverford student seems to labor under the illusion that these are the ultimates. Being keenly interested in the success of his own scientific club, I have found from first hand experience that it is practically impossible to get the Haverford student interested in these things first hand.

Comment on Editorials

Dear Haverford News, Haverford College, Haverford, Pa. I don't mind writing to say that I believe your editorial entitled "Rank Commercialism" in the current News is the best one I have ever read in that medium.

It is perfect tonmy-rot for a college of Haverford's size to attempt to play the schedule which includes Columbia and Pennsylvania, and the publicity which seems to be so desired by some isn't worth the candle.

STACEY K. BEEBE, '12

November 19, 1925. MR. J. H. MARSHALL, Editor, Haverford News, Haverford College, Haverford, Pa.

I am simply writing to commend the frank manner in which your editorials are written. For the first time in the history of the News, as far as I know, the editor has not hesitated to attack Haverford institutions which needed to be criticized.

I thoroughly agree with your editorial on student government. It has always been an angry reaction on the student body that the honor system was not applied to make up examinations, and even today it is the only thing in this day of the flapper and flapper that is not applied to make up examinations. I have a determined stand against drinking at banquets, and any college would take a determined stand against drinking if the students would do this.

World Court Academic Question in Colleges

H. A. Gibbons Urges Thoughtful Consideration on U. S. Entrance

This is the third of a series of articles by national authorities dealing with U. S. entrance into the World Court. These are released through the courtesy of the Yale Daily News.

Those who are opposed to the proposition that the United States participate immediately and without conditions in the work of the World Court, thus becoming a member state, are accused of being isolationists, of working against world peace, and of being unwilling to substitute law for war.

Danger from Propaganda

Herrin lites the danger. Instead of educating public opinion the World Court propagandists are endeavoring to stampede it. From Senate chamber to college mass meeting the World Court issue is being resuscitated against us in a choice between following the path toward peace or the path toward war.

Speaks of Football

It seems to me that there is one element of factor which the writers of letters and editorials have missed when referring to the commercialism of the game of football.

To begin with, I take it as an admitted fact that we all agree that a football camp is necessary to carry off a successful football campaign.

No Obligation to League. It is to be sure that the World Court, although it may have been created as a result of an article in the League Covenant, is not an organ of or dependent in any way upon the League of Nations. We want to be sure that our entry into the World Court will not commit us, even indirectly, to the endorsement of or guaranteeing League policies.

No Obligation to Court

It is to be sure that membership in the Court need not be used either (a) to bring this country before the League World Court in the settlement of a question that we do not care to submit to it, or (b) to marshal world public opinion against us in any case where we have refused to submit a moot question to the Court.

Professors of History and Political Science

Professors of History and Political Science, Haverford College, are in receipt of correspondence of the League of Nations, and are in receipt of the French Foreign Affairs Ministry in France.

YALE AND HARVARD TO BE MET ON SOCCER TRIP

Haverford Expected to Win From New England Universities

Two important Intercollegiate League games face the soccer team this week. The variety squad will leave Haverford on Wednesday afternoon for New Haven.

Judging from the games both teams have played, Haverford should defeat Yale on Thursday. The Blue team was downed 3-1 by Princeton, who led the closing minutes of their contest.

Yale and Harvard played the last Saturday. Princeton defeated the Crimson 3-1. The Cambridge team won but one of the four games, having scored a 1-0 victory over the weak Cornell aggregation. Unless the latter men make a terrific comeback covered from the Thanksgiving Day game with Yale, Harvard should be a comparatively easy task for anyone of the two teams in a weakened condition.

FIFTH SOCCER TEAM WINS FROM FOURTH

Deciding Game in Series Won on Goals by Gruber, Marsh and Urban

On Thursday afternoon the Fifth soccer team won the final game of its series with the Fourth team by a 3-1 score on Merion Field. Gruber put the Fifth team in the lead by booting a goal in the first quarter, and the score stood at 1-0 until Heller tied things up in the third period.

The final standing of the two teams: Fifth Team 11 2 1 14 21 Fourth Team 11 2 1 14 21

THIRD SOCCERMEN TIE SOUTH PHILADELPHIA, 1-1

Sharpless Makes Lone Score in Poorly Played Game

In a badly played game, Haverford's third soccer team tied the 1-1 tie with South Philadelphia High School last Wednesday. There was a dispute in the last quarter, when Vogel scored for Haverford on a free boot. The ball, kicked from Southern's forty-yard line, happened to find its way into the net without touching any of the players.

The work of Vogel at half-back stood out on the Haverford team.

GARNET RUNS WILD 70 - 13

Continued from page 1, column 5

Evans Makes Sevens-Yard Run Haverford's spirit seemed broken, and Evans cut loose of left tackle for a seventy-yard touchdown run before the period ended.

One more touchdown was scored that quarter when Evans circled right for seven yards and a touchdown after a thirty-yard march down the field. This time Seymour passed to Castle for the extra point.

Four Touchdowns in Last Quarter In the final quarter the Garnet scored four touchdowns, and its total up to ten. Seymour kept his remarkable record clean by kicking three more points for the extra points.

The summary: Position Swarthmore Haverford. Left tackle Koshlinski, Right tackle Howarth, Center Rogers, Right half-back McFadyen, Left half-back Guster, Quarter-back Lambert, Full-back Guster, Full-back Guster, Full-back Guster, Full-back Guster.

Now it seems extremely dubious that the line was positioned and practically impossible to work them in before the Thanksgiving holidays, and baseball men are still in preparation for the game with Drexel on December 12.

J. V. SOCCER ELEVEN MAY DEFEAT PENN J. V.

Comparative Scores Show Teams Evenly Balanced In Strength

The University of Pennsylvania Soccer team will meet the Haverford College J. V. in a State League contest on '85 Field Tuesday afternoon, November 24th. Comparative scores would indicate that Haverford and Penn are about equal in strength.

In the last three games the Haverford team has been scored upon twice in each game. The Red and Blue line has not been considered as strong this season as it was last year. Since Swarthmore is one goal better than either team, the game on Tuesday will be close, with either team likely to win.

HAVERFORD J. V. IMPROVING

The Haverford line has started to work in a better fashion than it did earlier in the season. Against the Girard team the Scarlet and Black passed well. All the passes were short and accurate. This is the real strength of the line has exhibited its real strength.

The Penn J. V. has lost most of its last year's members to the varsity. The Red and Blue seconds have not made much of a showing so far, having failed to roll up a big score at all. The Penn team is as inexperienced as the Haverford eleven. Sheffer, who was center-forward on last year's All-Ireland teracade mythological soccer eleven, is the best man on the field and Blue line. He formerly played with Haverford School.

The Haverford J. V. is in the best condition that it has been all season, and should be able to display enough drive to win its next game.

The lineup: Position Swarthmore Haverford. Left tackle Koshlinski, Right tackle Howarth, Center Rogers, Right half-back McFadyen, Left half-back Guster, Quarter-back Lambert, Full-back Guster, Full-back Guster, Full-back Guster, Full-back Guster.

ARRANGE SCHEDULE FOR GYMNASIUM CLASSES

System of Three One-Hour Periods to Be Put Into Effect

After much difficulty, President Comfort, Dr. Babbitt, and Mr. Evans have finally worked out a method for the handling of sophomores and freshmen in gymnasium classes this winter.

The freshmen will be divided, because of their large number, into two divisions of about forty-five each except on Wednesday when they will combine to allow for the activities of the sophomore class on that day.

RESERVES COMPLETE DIFFICULT SCHEDULE

Two Wins and Five Defeats Is Record Against Best Teams in Vicinity

For the first time in the history of football at Haverford the Reserve football squad has had a difficult schedule. The men who composed the team were for the most part those who were just a shade below the calibre of the varsity material.

The season opened with Upper Darby High School and although the Reserves sustained a 2-0 defeat the team showed great possibilities. The following week the Third team did something almost unheard of in football when it played two games on two consecutive days.

CLOSE GAMES WITH WEST PHILA.

West Philadelphia High School was their next opponent and the schoolboys barely managed to come out victorious by one touchdown. On the following Saturday West Chester Normal School, having one of the most powerful Normal School elevens in the State, defeated the Haverford team by the score of 16-0.

The Third Team was at its best against Haverford High the following Friday, when it won, 20-0. This was the first time many of the men played together, for several Reserve stars were promoted to the varsity to fill the shoes of tripples on the first eleven.

The final game was lost to Temple Freshmen 6-0 with only three regulars in the line-up.

Record of Five Defeats and Two Wins While the record is five defeats and two wins, it must be remembered that the schedule was more difficult than that of most of the players in its class, and inexperienced at the beginning of the season. Likewise valuable experience was gained in all the games, whether wins or defeats, and since these men will some day be varsity players, experience is more valuable than a high percentage of wins.

Tipple, Murray, Gawthrop, Brown, and Ensworth were the mainstays throughout the season and many of these men saw service in varsity games. Much of the varsity's success is due to the third team providing first class competition in the mid-week scrimmages.

It is now assumed that the Reserve football team will have a definite place in Haverford football and that every year will be provided with a schedule as severe as any team of its class.

Table with 2 columns: Team Name, W.L.T'Dpts. Swarthmore 3 0 1 7, Lehigh 1 0 1 5, Lafayette 0 0 2 2, Haverford, J. V. 0 2 0 0, Penn J. V. 0 0 0 0

FRESHMAN TRACK TEAM TO HAVE MANY MEETS

Ability of Rhine's Important for Varsity Success

Much interest is being displayed in the Rhine track squad this year, for the success of the Varsity season largely depends on the quality of the material unearthed in this year's freshman class. Coach Huddleton has already started fall track practice and is working diligently with the Rhine aspirants daily in the hope of uncovering some real ability to fill the large gap left by graduation last year.

The Freshman track schedule as made out by Manager McNamee includes both indoor and outdoor meets.

PRESIDENT COMFORT SPEAKS AT Y MEETING

God and Relationship to Man Subject of Talk to Y. M. C. A.

"Man is the temple of the living God, and man's affair is to see that the living God comes into his own heart." This was the keynote of Dr. Comfort's address to the Y. M. C. A. last Wednesday. The meeting was held in the Union.

Dr. Comfort spoke on "Where is God and where is His Kingdom." He said God is not found in a temple of worship merely because it is a temple of worship, nor in the beauties of nature. He declared to be the voices of God, the manifestations of God, but not God himself. "God," he said, "is not like any human institution. God is the ideal of perfection, infinitely better than anything we can imagine."

Where God Exists
 The human heart, according to Dr. Comfort, is the only place where it is worth while looking for the kingdom of God. The doors of man's heart must be open to the godhead; there must be co-operation of man with God. Man is the vital link in the chain of the relation between God and man. Close co-operation between the eternal spirit and ourselves cannot be accomplished without our help. We must keep the relationship intact, for God is in the light of the world, the light that brightens man's life. Dr. Comfort quoted finally from the Bible: "Behold I stand at the door and knock. If any man will open the door, I will come in; and I shall sup with him and he will live!"

ALUMNI ARE MEMBERS OF MOORESTOWN CLUB

Literary Organization Numbers Haverfordians Among Its Officers

"The Ramblers," an organization of the residents of Moorestown, N. J., who have social and literary leanings, and among whom are several Haverford Alumni, announce a fall and winter programme of entertainments to be given in that city. These dramatic and literary efforts will include activity on the part of the Haverfordian members.

The first programme will be presented on Tuesday, November 17, when Alfred M. Collins, '98, will present his account of his latest African game hunt under the title, "With the Gorillas and Pygmies in Central Africa."

On Wednesday, January 6, Tony Sarg will present his Marionettes, with which Forrest Harding, '24, is traveling.

Robert C. Smith, '14, is treasurer of "The Ramblers" and Hans Froelicher, '12, is chairman of the Entertainment Programme Committee, which has for one of its members Alexander C. Wood, Jr., '09.

OPEN FORUM DEBATE ON WINTER PROGRAM

Delaware and Lafayette First to Be Placed on 1926 Debating Program

An open Forum debate and two intercollegiate contests are contemplated by the Debating Council for the coming season. Manager Tatum announces that he is negotiating with Delaware and Lafayette for dates immediately following Christmas vacation.

In view of the lack of student interest in attending debates, it is planned that until further undergraduates desire for debating on the campus, the first intercollegiate engagements will be single debates. Haverford will probably be represented by one team that will uphold one side of the question. Tatum expects to arrange these two debates away from Haverford.

Start Before Christmas

Plans for the open Forum debate place it during the week just before the Christmas vacation. An authority upon some phase of a current topic will first deliver a short talk to be followed by a debate on the same topic. As is usual in this type of debate, there will be no arbitrary time limit. Open discussion will follow the argument from the platform, and the audience will probably be called upon to cast a vote.

The debating Council expects to add further debates if college interest warrants such a course.

ALUMNI NOTES

- '88, Eugene M. Westcott, '83, will represent Haverford at the inauguration of President Henry Thomas Moore, of Skidmore College, Saratoga Springs, N. Y., on Monday, November 16.

Do You Know? "HOW TO STUDY"

The Students' Hand-Book of Practical Hints on the Technique of Effective Study

by **WILLIAM ALLEN BROOKS**

A GUIDE containing hundreds of practical hints and short cuts in the economy of learning to assist students in securing MAXIMUM SCHOOL RESULTS at a minimum cost of time, energy and fatigue. ESPECIALLY RECOMMENDED for overworked students and athletes engaged in extracurricular activities and for average and honor students who are working for high scholastic achievement.

Some of the Topics Covered

- Scientific Shortcuts in Review
- Study Preparing for Examinations
- Writing Good Examinations
- Mastering Difficulties in Relation to Study
- How to Take Lectures and Readings
- Notes
- Advantages and Disadvantages of Cramming
- The Alibi and His Studies
- What Do You Study?

Why You Need This Guide

"It is safe to say that failure to guide and direct study is the weak point in the whole educational machine." Prof. G. M. Whipple, U. of Michigan.

"The successful men in college do not seem to be very happy. Most of them, especially the athletes, are overworked." Prof. H. S. Canby, Yale.

"Misdirected labor, though honest and well intentioned, may lead to naught. Among the most important things for the student to learn is how to study. Without knowledge of this his labor may be largely in vain." Prof. G. F. Swain, M.I.T.

"To students who have never heard 'How to Study,' work is very much of a punishment, a flagellation, and an insuperable obstacle to contentment." Prof. A. Ingham, Harvard.

"HOW TO STUDY" will show you how to avoid all misdirected effort. Get a good start and make this year a highly successful one by sending for this hand-book and guide NOW.
