

MAY 24 1926

LIBRARY OF HAVERFORD COLLEGE HAVERFORD PA

COMMENCEMENT AND CLASS EXERCISES TO BE HELD ALUMNI DAY

Changed to Saturday, June 12, for Convenience of Alumni

SENIOR DANCE FRIDAY

In order to accommodate members of the Alumni Association who found it difficult to attend Commencement and Class Day exercises on Friday, Class Day and Alumni Day this year have been combined and will be held together on Saturday, June 12. By this means the alumni who are unable to attend regular Alumni Day exercises will be able to attend Commencement and Class Day as well.

Although there will be many informal parties and meetings among the class reunion groups on Friday, the only affair officially scheduled for that date is the Senior Final Dance, an informal affair to be held in the gym. As an official program of the Alumni Association, all the events will be concentrated on Saturday.

Fifty-Year Class to Have Reunion

Members of the fifty-year class, headed by 76, will hold reunions. The Class of 1856 expects to have all of its ninety members present. All the other fifty-year classes, with the exceptions of '81 and '82, are represented on the alumni selected to draw up plans for the reunion.

Baseball Game in Afternoon

Lunch will be served at 1.15. At 2.30 there will be a baseball game between the Varsity and a picked team of alumni. There is also a cricket match scheduled for the afternoon. The annual business meeting of the Alumni Association will be held at 6 o'clock. The officers for next year are to be chosen at this meeting. There will be a 7 o'clock supper, followed by step dancing at 8 o'clock. The "Up and Down" play, "Captain Appleack," will be presented in the gymnasium. Plans for the class reunions are being arranged by a committee of alumni. This body, headed by Herbert B. Lowry, '12, will meet at the Haverford Club on Tuesday, May 25, at 8 o'clock. The program will include announcements and programmes will be sent to all the alumni. Horace M. Ryan, '12, will be in charge of the luncheon. Other members of the committee are: John W. Haines, '06; Herbert V. Gallinger, '11; James H. Haines, '11; John R. Hoopes, '21; Harman A. Yerxa, '25.

FACULTY NOTES

Two books published this year by Rufus M. Jones, '85, professor of philosophy, are "Finding the Trail of Life," an autobiographical sketch of his life, and "The Trail of Life," a pamphlet of thirty pages in length, published by the American Library Association. "The Trail of Life" was published by Macmillan.

WABO BROADCASTS PROGRAM

MONDAY, May 24, 8.00 P. M.—Voice recital by Dorothy Burtman, vocal solo and orchestra. 10.00 P. M.—Plans, vocal and violin recital by Dorothy Burtman. 11.00 P. M.—Armore Theatre broadcasting the grand opera recital: Kenosha Mustler at the console, William Stewart at the piano. WEDNESDAY, May 26, 11.00 P. M.—Armore Theatre broadcasting the grand opera recital: Kenosha Mustler at the console, William Stewart at the piano. FRIDAY, May 28, 8.00 P. M.—Social Sewal-Unterschied Concert by the City Club Glee Club.

'HAVERFORDIAN' BOARD PLANS FIVE FEATURES

Editorial Board Will Elect Two More Members Next Fall
An increased number of alumni contributions and a new cover design are among the changes in the make-up of 'The Haverfordian' planned for next year by the new board. John D. Carr, '20, recently elected editor, is also planning for a more varied table of contents, with the emphasis on short stories.

Two new members will be elected to the editorial board from among the numerous candidates after the first month of college next fall. G. E. Saunders and A. V. Fowler, '27, have both contributed frequently to the Haverfordian. Five members of next year's Sophomore class, B. Linn, J. W. Lineweaver, H. A. Reid, W. K. Aloop and F. C. Jameson, all have had contributions accepted for publication this year.

Some important changes are also contemplated by the editorial board. A systematic budget will be drawn up next year, and the possibility of lowering the subscription price of 'The Haverfordian' is being considered. A large turnout of Rhinies for the business meeting at the college next fall is more gratifying results than were obtained this year are expected.

HAVERFORD LIBERAL CLUB IS ORGANIZED

Undergraduate Club Intends to Secure Speakers of Note for Next Year

A dozen undergraduates, representing the three lower classes, have formed under the leadership of A. V. Fowler, '27, a "Liberal Club" to foster interest in liberal education. This organization was developed in response to the feeling that it is of importance to have speakers of note at the college next year. It will become active next fall.

The members of the group pledge their support and attendance at the talks which are to be given informally. Anyone who has sufficient interest in liberal education is eligible for membership. The organization has been modeled as far as possible on similar student liberal clubs in the East.

A. V. Fowler, Chairman
Meetings will be held whenever there is a speaker to be heard. By a vote of those present at the first meeting, the following officers were elected: A. V. Fowler, chairman; H. A. Reid, secretary; H. A. Reid, secretary; H. A. Reid, secretary.

Prominent Men to Be Asked

In the list of speakers, which the group will attempt to bring to the college, are the following: Oswald G. Villard, editor of "The Nation"; Dr. George Bonis, of Hopkins; H. L. Mencken, editor of "The Mercury"; Norman Angell, prominent English author; H. W. Haines, editor of "The New Student"; Dr. Raymond Fosdick, Frederick L. O'Ryan, Alfred J. Nook, Dean Arthur Holmes, of Penn, and Edmunds, Provost at Hopkins.

BOOKS REQUESTED BY LIBRARY ASSOCIATION

Organization Maintains Free Libraries
The Library is now in possession of about a quarter of a million books. Over a seven different classes of books are supplied to light houses. The library is now in possession of about a quarter of a million books. Over a seven different classes of books are supplied to light houses. The library is now in possession of about a quarter of a million books. Over a seven different classes of books are supplied to light houses.

'26 AND '28 DEFEAT '27 AND '29 IN ANNUAL INTERCLASS DEBATES

Hollander, '28, Wins Everett Society Medal; Alumni Prize to Seniors
PRESENTATIONS GOOD
The affirmative team composed of Mead Marshall and Kingsbury (alternate) carried the burden of proof on the question, "Resolved, That this house desires the organized tenderness of those other than the regular college authorities to assume control of college affairs."

The Seniors based their case largely on the argument that education was a fine art and that non-actors should not be expected to know enough about it to take an active part in its direction. The Sophomore-Freshman debate for the debating trophy cup and the Everett Society medal was won by the Sophomore team composed of Hollander (leader), Huskiec, Richie and Rhoads (alternate), the medal being taken by Hollander.

Student-Faculty Co-operation
It was pointed out that some colleges had called on their alumni very heavily for support. Cases had arisen where alumni had gained influence which for want of better use they had employed in proposing either the adoption of some half-baked educational theory of their own or the adoption of methods used somewhere else, or the adoption of business methods.

There are two great advantages to the Sequi Committee in the proposal of the Haverford Radio Club to lead Station WABQ for use as the official broadcasting station for the Sequi Centennial this summer. In the first place, the whole time of the station, which was to have either been agreed upon by the grounds or connected by telephone lines, would have been devoted to Sequi programs, an arrangement which is impossible for any of the Philadelphia stations to make.

War Debts

The points at issue in this debate were: "Resolved, That the Allies were able to pay the debt, whether the United States owed them the debt as its share of the burden of the war, and whether the ultimate effect of the debt would be good or bad. It was principally for the ability he displayed in his rebuttal speech that Hollander was awarded the medal.

The Freshman class up a strong case, and made a much better showing than was generally expected. Their delivery in presentation was somewhat better than that of their opponents. In contrast, however, they lacked the experience of their more highly trained antagonists.

WESTTOWN CLUB ELECTS D. TEST, '29, PRESIDENT

New Policy to Be Followed in Selection of Officers
D. Test, '29, was elected president of the Westtown Club at the final meeting of the year held in Barclay Tower last Wednesday evening at 9.30 o'clock. The officer was held last year by R. T. Lane, '25.

A new policy will be carried out next year in the selection of a secretary and a treasurer for the club. Instead of the newly elected president appointing these officers, they will be elected next fall from among the Westtown members of the Rhine class. This will insure greater co-operation between the club and the school, and should prove a valuable aid in extension work.

WABO CONSIDERED AS SEQUI BROADCASTER

Committee Unable to Accept Haverford Offer Due to Pre-arrangement
The offer of the Haverford College radio station to the Sequi-Centennial Committee for use as the official broadcasting station for the exposition this summer was considered at a meeting of Sequi officials last week. After careful consideration, it was declined.

Many members of the committee approved and supported the plan brought forward by W. S. Halsted, president of the Haverford Radio Club, about two weeks ago, but it was felt that they could not accept it because four big Philadelphia stations had already agreed to handle the Sequi broadcasts this summer. W.P.I., W.P.T., W.L.I.T. and W.O.U. will have entire charge of broadcasting from the Sequi grounds as official stations, according to present arrangements.

There are two great advantages to the Sequi Committee in the proposal of the Haverford Radio Club to lead Station WABQ for use as the official broadcasting station for the Sequi Centennial this summer. In the first place, the whole time of the station, which was to have either been agreed upon by the grounds or connected by telephone lines, would have been devoted to Sequi programs, an arrangement which is impossible for any of the Philadelphia stations to make.

The serious consideration of the Haverford proposal by the Sequi committee and by Mr. O'Neil Hauser, who is in charge of the Sequi publicity as well as being chairman of the committee, is not only a recognition of the value of the offer of the use of Station WABQ, but also a tribute to the reputation of the Haverford station for clear transmission.

BALTIMORE OUTING

Annual Affair is Attended by Eight Prospective Haverfordians
About eight prospective Haverford students were present at the annual outing of the Baltimore Club, held on Sunday, May 15. Haverfordians present were: Dr. J. M. Beatty, '33; Samuel, '28; Hunter, '29, and Sanders, ex-'27.

The outing was held on the estate of Dr. Guy L. Hunner, on the Magogy River, between Baltimore and Annapolis. The program included the customary tennis matches. Park School, Baltimore City College and Baltimore Polytechnic Institute were among the schools represented.

THEATRE GUILD SCHOOL WILL OPEN ON JULY 6

Courses Are Offered in Voice and Speech Training
The new season of the Theatre Guild School of Acting opens on July 6th and will run till July 31st of next year. The last day of registration for this course being June 10th. The plan of this school is, "to give adequate training to the young actor, and to do this by keeping in close touch with what is actually going on in the professional theatre."

BENJAMIN H. LOWRY, '26

Benjamin H. Lowry, '26
Captain of Haverford's Track Team and star hurdler. Middle Atlantic Champion.

CURRICULUM COMMITTEE TO REPORT TO COUNCIL

To Make Recommendations for Formation of New Body
The reply of the Faculty to the proposals made by the Student Committee on Curriculum was read and discussed before the Faculty on Thursday evening, May 20. The contents of the report which the committee will soon make to the Students Council was taken up and discussed at some length.

The general impression of the members of the committee seemed to be that the Curriculum Committee was the most likely body to investigate proposed changes and place the proposal in the best form for submission to the Faculty with the student vote. In view of this the committee recommended to the Council that the Curriculum Committee be made a permanent committee of that body, being re-appointed each year.

Regular Meetings

Another recommendation generally agreed upon was that the group should have regular meetings throughout the year. It was also suggested that be formed early in the year in order to better take care of the problems coming before it. The committee will be open to suggestion by the undergraduates and will investigate reasonable changes brought to its attention.

An effort will be made to find which of the proposals made to the Faculty were thought possible and which could not be considered. This will be done with a view to starting the committee of next year with some very definite changes which they may consider carefully and submit to the student body for their vote. The committee will be appointed by the Student Council at a meeting early in the fall.

COLLEGE CALENDAR THIS WEEK

MONDAY—Board Meeting; Intramural Baseball at home; Tennis with Swarthmore, at home. TUESDAY—Intramural Baseball; Marion vs. South. WEDNESDAY—Half-dollars; baseball game with Swarthmore; Freshman Sophomore track meet. THURSDAY—Intramural Baseball; South vs. Swarthmore. FRIDAY—Interclass track meet. Haverford; I. C. A. A. SWARTHMORE NOSES OUT HAVERFORD TO WIN M.I.A. S.C.A.A. BY HALF POINT

Lowry and Pitter Win First Places; Nine Haverford Men Score
TWO RECORDS BROKEN
By a sensational spurt at the finish of the 220 Yards of Swarthmore, tossed out Tideman of Union, to win the dash and Swarthmore defeated Haverford by a half point for the Middle Atlantic States championship. The final count showed Swarthmore to have 23 points, Haverford 22 1/2.

Two records were broken at the meet, with Lowry of Swarthmore breaking the record of Alfred, being the breaker. Baker outdid his old record in the preliminary round on Friday with a toss of the 220 feet in 10 Saturday he established the present record of 9.8. A half of an even 141 feet. Herrick ran a beautiful race in the mile and beat out Halton, of N. Y. U. to win in the dash and Swarthmore by 2 seconds.

Lowry and Pitter Win

Lowry and Pitter won the two Haverford first place winners. Lowry broke the tape in the high hurdles, outstripping Eugene of Union, and Norton of Swarthmore. Pitter, after finishing in second place in the preliminary of the javelin, came through on Saturday to beat out Kopsko, of Swarthmore, with a throw of 102 feet. Lowry was the high scorer of the Swarthmore and Black aggregation, as he also placed third in the lower timber in the previous year. He was tied in the previous year in the high jump, with Dutton this time gaining the advantage. Allowing his Friday jump to stand, he won the event with a leap of 22 feet 10 inches. Thomas finished with 1 5-8 inches. On Saturday he placed Friday jumping in third place, but on Saturday he took second when he made 21 feet 11 inches.

Lyon Beats Hoskins

Hoskins met his first rival in the pole vault in the person of Lyon of Alfred. Hoskins was unable to equal his former vaulting record, and the New York State athlete won the event with a leap of 22 feet 10 inches. On Saturday he placed Friday jumping in third place, but on Saturday he took second when he made 21 feet 11 inches.

Lowry Beats Hoskins

Lowry was not quite up to his regular standard in the shot but was unable to outbait Brad of Gettysburg, and Norris, of Swarthmore. The event was won by the Gettysburg College eight man with a heave of 40 feet 10 inches. On Saturday he placed Friday jumping in third place, but on Saturday he took second when he made 21 feet 11 inches.

Lowry Beats Hoskins

Lowry was not quite up to his regular standard in the shot but was unable to outbait Brad of Gettysburg, and Norris, of Swarthmore. COLLEGE SPORIS

ALLEN F. HORTON, J. KINGHAM ALWAYS THREE RUNTS AS HAVERFORD BEATS DELAWARE, 3-1

Renwick's Double Brings In Kingham With Winning Run in Fourth

TRIPP SCORES FIRST

Hurling the greatest game of his college career, Kingham turned back Delaware last Saturday afternoon at Haverford 3 to 1. The triumph extended Haverford's winning streak to three, and made the seventh win in eight starts for Kingham.

The Haverford ace allowed Delaware scratches. The other, a hard two-bagger, did not figure in the scoring. Only once were there two visiting base-runners on the paths. Six visitors reached the initial base, and four were still there when the final out of the inning came.

Team Fields Errorless Back Kingham received errorless support. Renwick made two spectacular running catches of high fouls. Tripp accepted three hard chances at short and Vanneman pulled the ball in from the afternoon by running far out into right field to throw out Beck.

Delaware went down one-two-three in the first. Richter slapped an easy out to Jaquette to get the half. Tripp coaxed Pryor into a pass, and proceeded all the way to third when Maxwell heaved the ball into center-field trying to get the Haverford short-knocking. Logan's fly to McKelvie was too short for sacrificial purposes. Saunders scored the first run of the game by driving a single over second. Saunders stole second, but Flint raised a high fly to Jaquette.

There was no more excitement until the fourth, when Wooten knocked a Kingham slow ball to left for one base. Maxwell dropped a bunt toward the pitcher's box. Everybody on the infield charged for the sphere. Kingham picked it up and tossed to Logan. Wooten, seeing third base unguarded, rounded second at top speed, went to third, and slid in safely ahead of Logan's relay. Pryor crashed a bouncer to Logan, whose charge to the plate was the late to get Wooten. Manix hit a short fly to Saunders, and Cherkap fanned.

Wooten's tainted run tied the score. With two away in the fourth round Kingham pitched to the pitcher's box, but Haverford back in the lead with a double to center. Manix tried to make a sneaking catch, but missed by inches. Kingham scored standing up when the ball rolled past the pitcher. Albert's hit through short pulled Renwick. This ended the scoring for the day.

With the exception of the next inning when Tripp and Logan hit singles with two out, Pryor proved a worthy foe to Kingham. He faced only three batters in an inning for the next three innings. The game was a bitter duel through about half-inning. Kingham led with good fielding. The contest required only one hour and twenty-two minutes, the fastest time of any of the home grounds.

RESULTS OF WEEK'S SPORTS Baseball Haverford 3, Delaware 1. Track M. A. S. C. A. A.—Swarthmore 29, Haverford 25 1/2; West—Haverford Fresh; Lansdowne 40; Upper Darby 28. Tennis Swarthmore 4, Haverford 3. Haverford J. V. S. Haverford School 6. Cricket Philadelphia C. C. 128, Haverford 102.

CRICKET TEAM DEFEATED BY PHILADELPHIA C. C.

Baker and Stokes High Scorers for Haverford With 27 Runs Each

Haverford, by losing the match on Saturday to the Philadelphia C. C. by the score of 128 to 102 virtually lost any chance of winning the Philadelphia cup this season. The batting of the Haverford XI shows improvement over that of the previous week; nevertheless it was far from strong. The more experienced club batsmen and the rather ineffective Haverford bowling were responsible for the defeat.

Haverford's opening first time this year and P. Garrett and Silver went in first. Silver was clean bowled on the second ball of the match. However, Stokes, Standing, and Baker, who followed, had good stands and were responsible for most of Haverford's runs. Stokes and Baker, each with 27, divided the batting honors for the College XI. Standing broke his "duck" for the first time this season by scoring 18.

Scattered Stars for P. C. C. A. G. Scattergood proved to be a thorn in the side of the Haverford team, hitting second for Philadelphia, he piled up 30 runs before being bowled by Carman. Murray Haines, ex '26, with 25 to his credit was also a big help to the Philadelphia C. C.

Haverford bowled fairly well towards the end of the game damped the ball to such an extent that it was very difficult to control. This accounts for the number of foul balls which the Haverford bowlers delivered. This made it easy for the club batsmen to get a number of "sours". Neither side fielded exceptionally well. Stokes took two of the four catches offered by Philadelphia. The Haverford bowlers delivered the most of Stokes's one-hand catch of Haines' flinger, the final wicket of the match.

CRICKET XI CLASHES WITH WANDERERS C. C. Return of Pitter to Line-up Likely to Improve Play of Team Philadelphia will meet the Cricket XI on Cope Field, Saturday. Haverford is expected to play its lowest street of the season. With the general improvement in batting noticed last week and strengthened by the return of Pitter to the line-up, the College should win. Haverford did not play the Wanderers team last week, but defeated them two years ago. The strength of the present Wanderers team is not known.

Behind the two matches mentioned above, there are matches scheduled with Centennial A. C. and with Crescent A. C. Centennial will be met on Monday, May 31; Crescent will be played on Saturday, June 5. Both of these matches will be held on the Haverford ground. Centennial was defeated by Haverford earlier in the season, and may offer an easy victory for the home cricketers.

SWARTHMORE TRIUMPHS IN TENNIS MATCH, 4-3

Final Doubles Match Swings Victory to Garnet in Close Contest

Swarthmore once more triumphed over its ancient foe when it defeated the Scarlet and Black netmen on the tennis courts last Wednesday afternoon by the close score of 4 to 3. The outcome of the match was in doubt until the completion of the final doubles contest.

The match was the most thrilling that has ever been staged between the two Quaker institutions. Forsythe, of Haverford, was the first to finish his match, turning in a straight set conquest over Gordon Hodge. The steady playing of the Haverford man and his well-placed drives proved too much for his opponent.

Dudley Defeats Marshall Dudley tied up the team match at 1-1 when he defeated Marshall 6-4, 6-4. The latter played the best tennis that he has shown at any time this year, driving with confidence, but the superior, all-around playing of the Swarthmore man was too much for him.

Haverford went into the lead on the long end of a 2-1 score when Johnson, of Swarthmore, succumbed before the prowess of his Haverford rival with the same name. The Scarlet and Black player, who is only a freshman, exhibited an exceedingly fine brand of tennis for so young a player.

The next two singles matches resulted in victories for Swarthmore and sent them into a lead by a 3-2 score. Hanson Hodge, who seems to hold a jinx on Lester, downed him in a well-played match without the loss of a set. Webster was opposed by Seymour, Middle Atlantic champion last year. Both men played a hard driving game, and had beautiful forms on all their shots. The steadiness of Seymour and his ability to return Webster's hardest shots decided the contest in his favor.

Lester and Evans Win Lester and Evans, resorting to a lobbing game on an unexpected victory over Seymour and Johnson after a close and exciting second set. This match tied the score up at 3-3, and the match hinged on the outcome of the first doubles contest, which stood at 2-2 and four games apiece at this juncture. Swarthmore had held a 3-1 lead in this set, but the Haverford combination had managed to win the next two games and tie it up. With Dudley serving, the score was 15-40, but by some pretty strategy he managed to pull himself out of the hole and won the game. Webster then won his serve and Hodge did the same. The Garnet finally broke through Marshall's serve and took the next game set, match and contest. Summary:

Table with 2 columns: Player Name and Score. Includes singles and doubles results for Swarthmore and Haverford.

INTERACTS TO BE AT COLLEGE ON FRIDAY

Haverford or Penn Charter Favorite to Win First Place in Intercollegiate Championships on Walton Field next Friday, May 28. Penn Charter won the championship last year, through the ability of Berlinger and Hill, who scored three first places in the meet.

Captain Berlinger scored twenty-five points for his team when they came to college and were defeated by the Rhinoceros. However, Haverford School has several first place winners. Captain Nicholson in the 440 and the 880, D'Andrade in the 100 and 220, and Hylke in the mile. Beside these men, the Red and Gold has a large number of other point scores and should give the champions a close fight.

Penn Charter's only other outstanding men are: Nibson, pole vaulter and jumper, and Parrish, who is picked to win the 220-yard low hurdles. The other schools which will compete in the championship are St. Luke's, Chestnut Hill, Episcopal Academy and Germantown Academy.

KINGHAM WILL OPPOSE MUEHLBERG MAY 26

Baseball Team Plays Garnet on Swarthmore Alumni Day, June 5

The Haverford baseball team will meet Muehlberg on Wednesday, May 26, when it plays the hard-hitting Muehlberg team on Swarthmore. After this game the team has a long rest before the Swarthmore meet is met in the first game of the season on June 5. Swarthmore was met in the second season and a slug-fest was the result, the Garnet winning 22 to 11.

Haverford has had the most successful baseball season that it has had for many years. The team has won seven out of the nine games played so far, losing to F. and M. and Swarthmore. These games were played in the same week and the team was in a bad slump. The team seems to have revived, however, the victories over Ostropo and Delaware indicate.

Muehlberg Has Good Record Muehlberg has beaten some of the best teams in the Eastern part of Pennsylvania. Lehigh and Lebanon Valley, are numbered among his victims, while at Bryn Mawr he has won from Muehlberg, 19 to 4.

Since playing Haverford before, Swarthmore has been beaten by Rutgers and Navy and secured a shut-out victory over Lafayette. Rutgers won out in the tenth inning, 7 to 6. The Naval Academy scored an easy victory, 10 to 1, while Gates pitched beautiful ball in a trimming 14 to 4 to 4. Gates is a freshman and since getting his chance against Rutgers, has done most of the pitching.

Either Ross or Zeigensoff will twirl for Muehlberg. Zeigensoff is a veteran of several years and has pitched Haverford last year, 7 to 2. Ross, however, has shown a lot of ability this year and may draw the assignment. Jones, Stiemmer, Leh, Clymer and Lawler team, it is very likely that Gates will pitch against Haverford at Swarthmore on June 5. Harriet, of Haverford, has pitched in a shut-out game this season has been placed at center field earlier in the season has been playing first base, and Neely has been in the center field. The probable line-up for the Muehlberg game follows:

Table with 2 columns: Position and Player Name. Lists batting order for Haverford and Muehlberg.

RHINE TRACKMEN WIN TRIANGULAR CONTEST

Lansdowne and Upper Darby Defeated, 75 to 40 to 28; Ensworth Stars

Scoring more points than the combined totals of their two opponents, the 1926 track team easily defeated Lansdowne High School and Upper Darby High in a triangular meet held on Walton Field last Wednesday. The result was never in doubt during the whole meet, in spite of the fact that several of the Rhine favorites fell short of expectations. The Freshmen scored 75 points, Lansdowne was second with 40, and Upper Darby with 28. Ensworth, '25, was the only double-vinner of the meet, but he was beaten out of high scoring honors by Grosvenor and as a result many new expectations. The Freshmen scored 75 points, Lansdowne was second with 40, and Upper Darby with 28. Ensworth, '25, was the only double-vinner of the meet, but he was beaten out of high scoring honors by Grosvenor and as a result many new expectations. The Freshmen scored 75 points, Lansdowne was second with 40, and Upper Darby with 28. Ensworth, '25, was the only double-vinner of the meet, but he was beaten out of high scoring honors by Grosvenor and as a result many new expectations.

Freshmen Take Nine Firsts The Rhinics took nine first places, Lansdowne took four, and Upper Darby failed to register one. Four places were tied, and as a result many new Rhinics broke into the scoring column. The only running event in which the victors did not come in first was the 880, due to the fact that Mawhinney, 23, curiously half-miler, did not run.

100-yard dash—Won by Ensworth, 29; second, Stetson, U. D.; third, Barshaw, U. fourth, Hartman, U. D. Time, 18.2 seconds. 120-yard dash—Won by Stakes, 29; second, Hinton, 29; third, Greenwood, U. fourth, Hartman, U. D. Time, 19 seconds. Mile run—Won by Tester, U. D.; second, Knut, U. D.; third, Feltner, U. D.; fourth, Wright, U. D. Time, 5 minutes, 25 seconds. 440-yard dash—Won by Mawhinney, 29; second, Stokes, U. D.; third, Pearson, U. D.; fourth, Loeb, U. D. Time, 36 seconds. 220-yard low hurdles—Won by Bishop, 29; second, Aronson, U. D.; third, Beard, 29; fourth, Loeb, U. D. Time, 28 seconds. 15-pound ball put—Won by Hassen, U. D.; second, Danan, 29; third, Davis, U. D.; fourth, Barshaw, U. D. Distance, 6 ft. 8 in. Pole vault—The first between Atchison, U., and Groschwitz, U. Tie for third among Stock, 29; Blanke, 29; and Sobel, U. Height, 9 ft. 6 in. 220-yard dash—Won by Ensworth, 29; second, Stetson, U. D.; third, Barshaw, U. D.; fourth, Hartman, U. D. Time, 36 seconds. 100-yard dash—Won by Hassen, U. D.; second, Danan, 29; third, Davis, U. D.; fourth, Barshaw, U. D. Distance, 100 ft. 2 1/2 in. 100-yard run—Won by Groschwitz, U.; second, Knut, U. D.; third, Feltner, 29; fourth, Manning, 29. Time, 2 min. 15 1/2 seconds. 150-yard dash—Won by Ensworth, U. D.; second, Knut, U. D.; third, Bobbles, U. D.; fourth, Hinton, 29. Distance, 150 ft. An interested friend of the College, who prefers to remain anonymous, undertakes to give an honest commentary on the Haverford team. He says that he is well acquainted with the contributors to the Haverford News, and remarks are strictly impartial.

BUCKNELL WINNER IN M. A. S. C. TOURNAMENT

Sullivan, of Lehigh, Wins Individual Championship. Bucknell University, with a total of twenty-one points, won the team prize in the Middle Atlantic States intercollegiate tennis tournament, completed at Haverford College on Saturday afternoon. The preliminaries were played in the various districts the previous week.

The winners barely nosed out Lehigh, which was runner-up, with 20 points. Swarthmore and N. Y. T. tied for third place with 12 points apiece. Delaware scored 8 and Johns Hopkins 4. The rest of the fifteen colleges represented failed to tally.

Nell Sullivan, a Philadelphia boy, representing Lehigh, won the individual championship by defeating Eric Rudsell, of Bucknell, in a well-played and interesting match, featured by spectacular tennis at times. Sullivan held the upper hand throughout and kept Rudsell running from one side of the court to the other, striving to return his well-placed drives.

The Bucknell man fought gamely during the entire match, making gets that seemed impossible, and taking games when his cause appeared hopeless. In the first set with the score at 2-1 against him, Sullivan took four games in a row, and almost won the next.

The latter advanced to the final round by conquering Hodge, of Swarthmore, in the morning in a hard-fought three-set struggle. Sullivan had a much easier time in qualifying for the finals, and won his match with Creamer, of Delaware. The preliminaries of only three games. Summary:

Semi-final round: Rudsell, Bucknell, defeated Hodge, Swarthmore, 6-4, 5-7, 6-4. Sullivan, Lehigh, defeated Creamer, Delaware, 6-1, 6-2.

Final round: Sullivan, Lehigh, defeated Rudsell, Bucknell, 6-4, 6-2, 6-3.

VIRGINIA CUP TENNIS TO START ON TUESDAY Several Drawings Made. Marshall, Webster and Folsom Favorites. The drawings for the Virginia Cup tennis tournament, representative of the College singles championships, were announced last week by Manager Jackson. The Virginia Cup was presented by Haverford College last year by Dr. Leigh W. Field. It is a permanent trophy and the winner will receive the honor of being his name inscribed on it. Phillips Johnson, captain of the 1925 tennis team, was victor the first year of competition. Entries to the tournament are limited to members of the first, second and Freshman squads. Eight of the sixteen players who have only three chances of '26. All matches will be three-out of five sets. The first round will commence on Tuesday, and the finals will be played Friday. In case of rain, the matches will be moved up one day. The Carry Webster battle appears to be the opening day's feature match. The first round singles match during the greater part of this season, will be the favorite to come through to the finals in the home bracket. The home team will probably be against Forsythe, the provided Forsythe dispenses of Johnson. Carry, however, has the edge in the singles class on several occasions, and should give Webster some stiff opposition.

MERION, SOUTH, LLOYD TIE FOR FIRST PLACE

All Three Win During Week as Regular Season Ends; Play-off This Week

With the ending of the regular intramural baseball season, three teams are tied for first place, Lloyd, Merion and South, necessitating a play-off this week. On Monday, Lloyd beat Founders, 24-11, on Tuesday Merion beat Centre 13-12, and on Thursday, Centre was defeated by South, 8-7.

The Lloyd-Founders game was close for several innings, then the victors began a batting spree and quickly drew away from their opponents. Founders pitched a rugged effort to stop the hitting, but it was in vain. Maguire and Albert pitched well. Lloyd and the whole team played fairly well. Alsop and Estes were the stars of the Founders team.

Merion Centre Game Close

The Merion-Centre game was one of the closest and hardest fought battles of the year, and it was mainly due to Will, Merion center fielder, that Merion came out on the long end of the score. The Merionites were one run ahead in the last inning, and got one out. Then two Centre men got on base. Baker stepped up to bat and hit a long, hard fly over the Merion shortstop's head, and the two base-runners started home. But Will, rushing in from centre-field, made a beautiful shoe-string catch, and threw the ball to second for a double play and the game. He also made several other extraordinary catches during the game, once robbing Baker of a possible home run. Stevens and Baker starred for Centre.

Centre also put up a game fight against South, losing again by only one run, but forcing the game to eight innings. Instead of the customary seven, the score was tied at 6-6 after seven innings had been played. In their half of the eighth, South scored two runs. In Centre's half, two men came in, and then Shank stepped up to bat and hit a long, hard fly over the left fielder's head for a clean home. But his one run was useless, for the next man up to bat stepped out at first. Shank, who besides his homer, pitched a good game, was easily the outstanding star of the Centre team. Will, playing as a "ringer" for South, made some more of his famous catches, while Sunawet was South's all-around star.

HAVERFORD TAKES 2nd IN MIDDLE ATLANTICS

Continued from page 1, column 6

Summaries

100-yard dash—Won by Thomas of the first, second, Burton, Swarthmore third, Jones, Haverford fourth, Clayton, Lehigh; fifth, Henry, Rutgers. Time, 10 2/5 seconds.

High hurdles—Won by Lowry, Haverford; second, Duane, Union third, Norton, Swarthmore fourth, Hendon, Gettysburg; fifth, McCaughey, Haverford. Time, 16 2/5 seconds.

100-yard low hurdles—Won by Rolfe, Rutgers; second, Norton, Swarthmore third, Brown, Lafayette; fourth, Dillmore, Lehigh; fifth, Shank, Dickinson. Time, 51 2/5 seconds.

Mile—Won by Herick, Alfred; second, Hutten, N. Y. Univ. third, Swarthmore; fourth, Macomber, F. M. M. fifth, Lewis, Swarthmore. Time 4 minutes 29 1/2 seconds (not timed).

Two-mile—Won by Clayton, Johns Hopkins; second, Bayley, Dickinson; third, Totten, Lehigh; fourth, Johnson, Yale; fifth, Van Brock, Rutgers; sixth, Taylor, Lehigh; seventh, Macomber, F. M. M.; eighth, Gettysburg; second, Norris, Washington; third, Swarthmore; fifth, Givert, Lehigh; sixth, Putnam, N. Y. Univ.; seventh, Jones, Haverford; eighth, second, Hoskie, Haverford; third, Willard, N. Y. Univ.; fourth, Henry, Rutgers; fifth, second, Cliff, Swarthmore and Nolls, Alfred; Heitzl, N. Y. Univ.

Five-mile—Won by Frielberg, N. Y. Univ.; second, Sweeter, Dickinson; third, Hutten, Lehigh; fourth, Johnson, Yale; fifth, Van Brock, Rutgers; sixth, Taylor, Lehigh; seventh, Macomber, F. M. M.; eighth, Gettysburg; second, Norris, Washington; third, Swarthmore; fifth, Givert, Lehigh; sixth, Putnam, N. Y. Univ.; seventh, Jones, Haverford; eighth, second, Hoskie, Haverford; third, Willard, N. Y. Univ.; fourth, Henry, Rutgers; fifth, second, Cliff, Swarthmore and Nolls, Alfred; Heitzl, N. Y. Univ.

STUDENT UNIVERSITY FOR TWENTY-FIVE MEN

National Student Forum Conferences to Be Held This Summer

In an old tobacco barn on a farm at Bridgewater, Conn., a Student University conference will be held for twenty-five men who can be accommodated at the farm.

The conference will open on June 15 with a conference on "Journalism," to be led by Douglas Haskell, editor of the New Student. The next will probably be represented at this conference by the editor, J. W. Baker.

Seven Conferences

There will follow a conference on "Psychology and Religion," from June 20 to July 2, led by Dr. Goodwin B. Watson, of Teachers College, Columbia University. Ralph P. Bridgman, of Union Theological Seminary, will lead a conference on "Education," July 2 to 17. Dr. Scott Buchanan, of City College, New York, and Peoples Institute, will have a conference of a similar nature on the subject of "Our Scientific Faiths." Then follows a conference based on Whitehead's "Science and the Modern World," to be led by Professor F. C. Lindeman, of the New York School of Social Work. For the next three weeks, August 13 to September 3, we will hold a unique "Symposium," to be led by an expert in group thinking. The last conference, on the "Drama," from September 4 to 14, will be led by Mrs. H. R. Muesey, of Wellesley.

The old tobacco barn which is to serve as the main academic building for the Student University has been remodelled and equipped with living rooms, wide shelves, and with a great stone fire-place, a hospitable living room, a wide shelter, and with an upstairs dormitory for women, and a men's dormitory below.

If any Haverford men are interested in attending any of these conferences they should communicate immediately with the Forum or the editor of the News. The capacity of the barn is limited.

There is no idea so clever that it cannot be ruined by poor printing, or made more effective by good printing. Your ideas are worthy of a good printer's care.

EXECUTIVE BODY MEETS

Will Award Letters and Numerals to Members of Team

On Thursday, May 27, the final meeting for this year of the Executive Athletic Committee will be held. The main purpose of this meeting is the awarding of letters and numerals to members of the baseball, tennis, track and cricket squads. At the same time the selections of captains, managers and assistant managers will be made for next year's spring sport teams.

SESEQUI PROGRAM WILL BE BROADCAST FRIDAY

Main Line Choral Society Gives Elaborate Recital of Cantatas

The Sesqui-Centennial concert by the Glee Club of the City Club of Philadelphia, which will be broadcast from the Haverford studio at 8 o'clock on Friday evening, May 28th, will be the final broadcasting program of the college year.

Seven numbers will be offered by the City Glee Club, which is directed by J. Ralph Satterthwaite. These numbers vary from the lusty "Sailors' Chorus" by Purley to the passionate "Good Night, Beloved," of Lacer. There will be a tenor solo by Horace B. Luff and a bass solo by William S. Patton. S. Kulon Foster, accompanist, will play a piano solo.

Newman to Broadcast

Tonight at 8 o'clock a vocal recital arranged by Samuel Barrington will be broadcast which will include duets and solos by Dorothy Butterworth, mezzo soprano, and W. Warren Newman, 25, tenor. This will be Newman's third recital from the Haverford studio this year. A piano, voice and violin recital will be broadcast at 10 o'clock by well-known Philadelphia artists among whom will be a Victor red seal artist.

Last evening an elaborate program of cantatas by the Main Line Choral Society was put on the air from station WABQ. There were six numbers, some consisting of several parts, on the program including soprano solos by Miss Trance, Boster and Mrs. Rushton Howell.

Folk Songs

The concert was directed by William F. Bentz, and was made up of the same selections as the concert given at the Women's Club in Ardmore on Tuesday, May 11th. Some of the most effective of the cantatas, which were sung by the thirty-five voices without accompaniment, were old folk songs taken from German and French folk lore.

"The Stars," a ruffled piece by the Russian composer Tanejeff, was the most difficult of the Choral Society numbers and the most brilliantly executed. Two negro spirituals arranged by Henry T. Burleigh—"Lord, What a Morning" and "Were You There?" were very effectively interpreted.

SOPHOMORES TO MEET FRESHMEN ON TRACK

Postponed Meet Will Be Held Wednesday, 28 Favorite to Win

Having finished a most successful season competing against prep and high school teams, the Rhine track team will attempt to finish its schedule with a victory over the Sophomores next Wednesday.

The fact that the meet has been postponed from the indoor track to the end of the outdoor season has given the Freshmen a chance to organize, and this fact, coupled with a comparison of performances, seems to point to a close meet.

Esaworth, '29, although he has consistently defeated Captain Fox, '28, in the dashes this year, will have some difficulty in adding his usual ten points to the Freshmen tally. Thomas, '28, although his event is the broad jump, will probably enter the meet as a new dasher. He should also place in the high jump, in which event Richardson, '28, is expected to win over Captain Frobin, '29. In the hurdles, also, the Sophs should triumph, with Richardson and McCaughey running. In the low hurdles, however, Bishop, '29, will give the latter a close race and may win.

The Rhines are strong in the weight and distance events. Between them, Johnson, Dohan and Frobin, all of '29, should take first and second in both the shot and discus, while Dohan is also a strong man. Mawhinney, '29, should find little trouble in winning the 880, while Test and Wright, both '29, should do well in the mile.

The Sophs hold undisputed sway in the 440, broad jump and pole vault, with Paton, Thomas and Woods in the respective events. Aside from Richardson in the 440, however, the first-year men are fairly sure of the remaining places in these events.

J. V. SCORES WIN OVER SCHOOL TENNIS TEAM

Junior Varsity Netmen Crush Opponents in One-Sided Contest

The Haverford School tennis team met defeat at the hands of the Haverford Junior Varsity courted last Wednesday. The Scarlet and Black second stringers earned an easy triumph, winning the match by a 6-0 score. A handily defeated Vanderbeck in straight sets, but the match was much closer than the score indicates, as there were many long rallies, both men playing carefully. With a severe drive and a powerful serve working well, Cary had little trouble in administering a decisive defeat to McKoon. The tennis exhibition in this contest was the best of the entire match.

Estabala Hard Pressed

Also, opposed to Zook, a southpaw, played a conservative chopping game to down his rival, and was never in danger. Baldwin experienced the most trouble of any of the Haverford players in disposing of his opponent. Losing the first set after a hard struggle, he staged a comeback and won the next two sets easily.

Both of the doubles contests were short and one-sided affairs. The team work of Haviland and Cary stood out as exceptionally brilliant.

Summaries:

Haviland, J. V., defeated Vanderbeck, Estabala, Hard Pressed, 6-0, 6-0.

McKoon, Haverford School, 6-3, 6-1, also, defeated Zook, 6-0, 6-0.

g. Baldwin, J. V., defeated Satterthwaite, Haverford School, 6-2, 6-0.

Doubles:

Haviland and Cary, J. V., defeated Brown and Scott, Haverford School, 6-0, 6-4.

Baldwin and Estabala, Haverford School, 6-1, 6-2.

EXTENSION COMMITTEE FINISHES YEAR'S WORK

Work at Intercollegiate Track Meet Will Wied Up Program

The Haverford College Student Extension Committee will close a season of annual activity with a program in conjunction with the Intercollegiate Track Meet to be held on Walden Field next Friday.

The entrants in the meet and others from Germantown Academy, Penn Charter, Haverford School, Episcopal Academy, St. Lakes and Chestnut Hill will be entertained. In addition, all of the students of the college and Lower Merion High who have entries filed at College at this time. Beside these schools, many will send smaller representations.

After watching the interests the schoolboys will be shown over the campus, and will then stay for supper at the College.

The chairman of next year's committee will be appointed this week, and will choose his co-workers soon afterward. He will be chosen from the Senior or Junior classes of next year.

"Pre-school days," at which the Student Extension Committee has been active this year, were held in conjunction with the Hamilton football game, the Princeton soccer game and the Muhlenberg basketball game. Credit for the good work of the committee is due to J. B. Calkin, '29, who has done much towards interesting prep school men in Haverford.
