Please read the following carefully and initial the statement that reflects your wishes concerning electronic dissemination of your thesis, which will be deposited in the Swarthmore College Thesis Archive <http://triceratops.brynmawr.edu/dspace/handle/10066/>.

**Thesis Permission**

- [x] I grant Swarthmore College the non-exclusive, perpetual right to archive and provide unrestricted access to my thesis. I represent that the submission is my original work, and does not, to the best of my knowledge, infringe upon anyone's copyright. Select this option if you would like your thesis to be available to scholars worldwide.

- [ ] As of January 1, 2014 (year), I grant Swarthmore College the non-exclusive, perpetual right to archive and provide unrestricted access to my thesis. Prior to this date, access to my thesis will be limited to the Swarthmore College network. I represent that the submission is my original work, and does not, to the best of my knowledge, infringe upon anyone's copyright. Select this option if, after the stipulated delay above, you would like your thesis to be made available to scholars worldwide.

- [ ] I grant Swarthmore College the non-exclusive, perpetual right to archive and provide limited (Swarthmore College network) access to my thesis. I represent that the submission is my original work, and does not, to the best of my knowledge, infringe upon anyone's copyright. Select this option if you do not want scholars outside of the Swarthmore community to view your thesis.

- [ ] I do not grant Swarthmore College the right to archive or provide access to my thesis through the Swarthmore College Thesis Archive. Select this option if you do not want Swarthmore College to digitally archive and provide access to your thesis.

Hi Cassy,

Thanks for reaching out to me. Just use whatever Eliza did. Thanks and have a great holiday.

Hi Danielle:

I hope you are enjoying your summer. Attached is the thesis release form that you completed for your E90 project. You were only suppose to check off one of the permissions. Can you please let me know which permission the library should use. Eliza checked off the first permission option that lets anyone see your thesis. Since you did the project together, you should both agree to the same permission. Thanks for your help.
