Usama Mahmoud, the official spokesman of al-Qaeda in the Indian Subcontinent (AQIS), posted a series of tweets condemning what he called “infidel system,” and praying to God to support Muslims in Iraq and Syria, as well as fighters in Chechnya, Dagestan, and Yemen.

In the Arabic and Urdu tweets, which he posted on November 3, 2014, Mahmoud explained why Muslims should “hate the infidel system,” and declared that jihad will continue until the end of that system and the establishment of the Caliphate. He wrote, for example: “Why hate the infidel system? Because it destroys our worldly lives and eternal lives in the hereafter, and it is based on the destruction of your real happiness and peace.” Regarding Chechnya and Dagestan, he prayed to God to support both Muslims and fighters against military operations launched by the “atheist” Russians.

Following is a translation of tweets:

This jihad will continue till the end of the brutal international system and the establishment of the Caliphate on the prophetic methodology, Allah willing.

Khorasan: The war is being waged between faith and materialism, Islam and infidelity, and the loyal men of Allah and those who are enslaved to dollars. A history of loyalists and traitors is in the making.

Why hate the infidel system? Because it destroys our worldly lives and eternal lives in the hereafter, and it is based on the destruction of your real happiness and peace.

O Allah! Please help the innocent victims among the Muslims of Iraq and Syria who are being bombarded by the Americans and her Gulf allies.

Why hate the infidel system? Because it rewards those who shun virtue and promotes those who embrace sin, and it’s a prison and a death trap.

Why hate the infidel system? Because it is the enemy of knowledge, the knowledge that helps maintain humanity within humans.

Never forget death. Thoughts of death, heaven, and hell help in being obedient to Allah and staying away from sin!
Why hate the infidel system? Because it is established on brutality, fraud, injustice, and rebellion against Allah!

O Allah! Please help our mujahid brothers who are fighting America, her slave Yemeni army and the brutal Houthis in Yemen, the land of faith and wisdom.

Why hate the infidel system? Because by luring into the trap of a temporary life it destroys our eternal life in the hereafter!

Why hate the infidel system? Because it guarantees darkness (faithlessness) in disguise of light (education)

The atheist Russians have initiated an operation against innocent Muslims and mujahideen of Chechnya. May Allah help our brothers in Chechnya!

{Note: Usama Mahmoud posted a similar message in Arabic: “O Allah! Support our brothers the Muslims and mujahideen in Chechnya (Dagestan province), where the forces of the atheist Russians launched fierce military operations against them.”}

Why hate the infidel system? Because it humiliates women and degrades them from the honorable status of mother, sister, and respected wife, and casts her in the midst of lustful beasts disguised as men!
