Terrorism: Al-Libi Calls for Jihad, Calls Bush, Mubarak, Musharraf 'Soldiers of Satan' On 18 December, a forum participant posted to a jihadist website a statement issued by the Al-Sahab Media Production Organization, the media arm of Al-Qa'ida Organization, announcing the release of a 41-minute and 30-second video by Abu Yahya al-Libi entitled "Al-Nafir (Going Forth)" and included various links to the video. In the video, Al-Libi called on the Muslims to rise and fight and advised them not to listen to the temptations of the devil. He referred to leaders like Bush, Mubarak, and Musharraf as the "soldiers of Satan" on earth whose ways the Muslims should not heed.

A description and translation of the video message follows:

The video begins with the recitation of a Koranic verse, "Go ye forth, (whether equipped) lightly or heavily, and strive and struggle, with your goods and your persons, in the cause of Allah" (Koranic verse; Al-Tawbah 9:41). On the screen, the video announces: "Going Forth, by Abu-Yahya al-Libi, the person in charge of the Sharia Commission."

Then Abu-Yahya al-Libi begins:

"Praise belongs to God. We praise Him and we thank Him. We praise Him and ask for His help and His forgiveness.

"All Praise is due to Allah. We worship Him, We seek His help and His forgiveness and we turn to Him in repentance. And we seek refuge in Allah from the evil within ourselves and our ill deeds. Whoever Allah guides cannot be lead astray and whomever He leads astray, for him there is no guide. I testify that there is no god but God, with no partner, and that Muhammad is His servant, His messenger and the chosen from among His creation. 'It is He Who hath sent His Messenger with guidance and the Religion of Truth, to proclaim it over all religion, even though the Pagans may detest (it)' (Koranic verse; Al-Tawbah 9:33). May the prayers of God be upon him and upon all his family and companions, and anyone who walked in his path until Judgment Day.

"Thereafter, praise be to God, who guided us to this, without Whose guidance we would not have found our way. Praise be to God, who bestowed on us the blessing of Islam, the Koran and the blessing of following the master of the messengers, Muhammad, prayers and peace be upon him. Praise be to God, who blessed us with faith in Him, and favored us with emigration for His cause and with jihad. He, who decreed it in His book, and commanded it to His prophet, prayers and peace be upon him. These three matters -- Islam, emigration and jihad -- are the best blessings which God, exalted He be, bestowed on His servants. The prophet, prayers and peace be upon him, said, 'Satan sits in the path (of every goodness) that the son of Adam (may try to take). He sat in front of him when he took the path to Islam and told him, 'how could you leave the religion of your fathers and your fore-fathers?' But he disobeyed him and became Muslim. Then Satan sat in front of him in his path to Hijrah and said, 'How could you leave your land and your sky?' But he disobeyed him and migrated (from Mecca). Then he sat in front of him in his path of jihad and said, 'Why should you do jihad? It will only exhaust your wealth and body. You'll be killed, your wife will marry someone else, and your wealth will be divided (to others).'

But he disobeyed him and went for jihad. Rasul Allah then said, 'Whoever does this, it is a duty upon Allah that He shall enter him into Paradise' (Hadith).'

"This great hadith shows us the correct path, which the servant (believer) takes in this world, by taking the right path and following the Sunnah and the guidance of the prophets and the messengers, first by entering in the religion of Islam, even though entering this religion and following its true guidance will be filled with many obstacles. The first and greatest obstacle one will face is the cursed Satan, who got our parents (Adam and Eve) out of paradise after he tempted them to eat from the tree. He said, 'Your Lord only forbade you this tree, lest ye should become angels or such beings as live for ever. And he swore to them both, that he was their sincere adviser' (Koranic verse; Al-A'raf 7:20). The evil devil sits in the path of goodness that the son of Adam may take to prevent him from obeying God, and to order him to disobey God Almighty. He sits in the path of Islam because he knows that by entering the religion of God, the servant will realize success in earning eternal life, as the Almighty said, 'Only he who is saved far from the Fire and admitted to the Garden will have attained the object (of Life): For the life of this world is but goods and chattels of deception' (Koranic verse; Al Imran 3: 185). Satan wants the son of Adam to die as a non-believer and to die in his polytheism so that he will be with him in Hellfire, and to listen to that Satanic lecture in the bottom of hell, burning in its fire. 'And Satan will say when the matter is decided: 'It was Allah Who gave you a promise of Truth: I too promised, but I failed in my promise to you. I had no authority over you except to call you but ye listened to me: then reproach not me, but reproach your own souls. I cannot listen to your cries, nor can ye listen to mine' (Koranic verse; Ibrahim 14:22). Like Satan, after telling people to disbelieve, and when they disbelieve, he tells them that he is not responsible for their deeds, and that he fears God. This is the case of man, when he follows the steps of Satan. He calls on him to disobey God, and he tempts him to defy the commands of the Almighty. But if he (man) falls, and follows his whim and is led by Satan, then he (Satan) will declare his innocence of his deeds and of his followers. Hence, no one follows Satan in this world unless he worships him, even if he denies it, and although he might not bow down, worship and pray for Satan, in reality he is worshipping Satan. This is what the Almighty said, 'did I not enjoin on you, O ye Children of Adam that ye should not worship Satan; for that he was to you an enemy avowed. And that ye should worship Me, (for that) this was the Straight Way?' (Koranic verse; Yasin 36:60)

"Therefore, all these non-believers, who are spreading corruption on earth, and who have oppressed the people and humiliated them, and who have taken mankind from light to darkness, and have forced them into disbelief, polytheism and clear misguidance, are but the soldiers and the friends of Satan, even if they boast shamelessly, and give themselves many titles. Therefore, Bush, Pervez (Musharraf), Mubarak, Bin Sa'ud, and Bu Tafiqaq are nothing but soldiers of Satan. By fighting these criminals, we are fighting none but the soldiers of Satan, as the Almighty had said, 'those who believe fight in the cause of Allah, and those who reject Faith Fight in the cause of Evil: So fight ye against the friends of Satan: feeble indeed is the cunning of Satan' (Koranic verse; Al-Nisa 4:76).

"Therefore, if the cunning of their president, their leader, their master and the chief commander of their armed forces is feeble, how (feeble) will be the cunning of his soldiers? The prophet, prayers and peace be upon him, said, 'Satan sits in the path (of every goodness) that the son of Adam (may try to take).' Therefore, oh son of Adam, remember, when you want to take a path of obedience to God Almighty, be it through prayer, fasting, migrating, jihad or enjoining virtue, or preventing vice, remember that Satan is sitting in your path, because Satan swore to do so, and said, 'Then will I assault them from before them and behind them, from their right and their left: Nor wilt thou find, in most of them, gratitude (for thy mercies)' (Koranic verse; Al-A'raf 7:17). Remember that you are in constant struggle, war and defense with Satan. Satan will try to

prevent you first from obeying the Almighty God, and from the greatest obedience of all that will prevent you from entering into the religion of the Almighty.

"In this light and this guidance, millions of people were deprived from this abundance and comfort. Who stood in between that and this, who is the one who decorated for them the pleasures, who made polytheism, non-belief, and going astray better to them in their eyes? Who is the one who reversed the darkness where they saw it as light, superiority, and culture and high class and prevented them from the light of Islam and rendered it inanimate, dead, old-fashioned, traded, fanatical, extremist, and severe? Who? It is cursed Satan. So remember, oh worshiper of God, that you are following Satan when you take the path of disobeying God, the Great and Almighty. 'Verily Satan is an enemy to you: so treat him as an enemy. He only invites his adherents, that they may become Companions of the Blazing Fire' (Koranic verse; Fatir 35:6).

"Then we are in a continuous war; our war is not limited and restricted to the war that we are carrying out with the enemies of God, the Great and Almighty, from Christians, Jews, apostates, rejectionists, Buddhists, Communists, and others, No! A part of our war, the largest part, is the war that we are carrying out against the master of those non-believers and with their president and leader; he is cursed Satan.

"It is your duty, oh worshiper of God, to remember that you are always and at all times and in every obedience (to God) in a defense, dealing and fighting with this bitter enemy who wants for the human to be with him, in what? In the fire of hell. Satan sits in the path of the son of Adam in his paths. He sits for him in the path of Islam, and as we mentioned, this is the first step to salvation and success, for the human to embrace the religion of God, the Great and Almighty, meaning that he was salvaged, if he died and was in this religion, is saved from the punishment of God, Exalted He be. Either he was saved from entering the fires of hell from the beginning or he will not rest eternally in the fires of hell because those who died and were in Islamic religion do not stay in the fire of hell forever. He asked him, "Do you convert to Islam and leave your religion behind and the religion of your fathers and ancestors? How do you leave this religion that your father was raised upon it as well as your grandfather and your ancestors and move to a new religion? What is this religion? It is the Islamic religion, from which he (Satan) wants to repulse you. And the excuses of what the predecessors were on is the excuse of the non-believers every time. They even said 'Nay! they say: 'We found our fathers following a certain religion, and we do guide ourselves by their footsteps. Just in the same way, whenever We sent a Warner before thee to any people, the wealthy ones among them said: 'We found our fathers following a certain religion, and we will certainly follow in their footsteps'" (Koranic verse; Az-Zukhruf 43:22-23). (Words indistinct) they copy those who were before them, but to ask themselves and stand up in pairs or alone to reflect, then their minds are dead. He said he (Satan) stood for him in the path of Islam, and today we hear the same thing; we hear these Satanic excuses that stand between the people and embracing the religion of God, the Great and Almighty. So many say who are called to be Muslims and those who talk by their tongues but they are talking by Satan's tongue and they express the thoughts of Satan. How do you move to this religion that is long gone and we are in the era of civilization, in the era of advancement, and in the era of democracies, in the era of freedoms and in era and era. After that, what stands between you and God's religion, the Great and Almighty? Did God's religion prevent you from the industries? Did God's religion prevent you from traveling anywhere on earth? Did God's religion prevent you from advancing and technology? No! This is only it is the whispers of Satan and the dictations of his helpers. Therefore, this is not an excuse that passed and Satan mentioned for the predecessors who were before who used to worship a rock or trees. No! Rather, we hear it today from those who wear neckties, we hear it today from those who sit in the Parliaments, and we

hear it today from those who call themselves intellectuals, the enlightened, the civilized, and others from these Satanic names who are the one who stand in between the people and embracing the religion of God, the Great and Almighty.

"Islam is the religion of advancement, the religion of civilization, the religion of justice, and the religion of equality of rights. God has forbidden oppression upon Himself and rendered it forbidden among his worshipers. 'Allah commands justice, the doing of good, and liberality to kith and kin, and He forbids all shameful deeds, and injustice and rebellion: He instructs you, that ye may receive admonition' (Koranic verse; An-Nahl; 16:90). Is there anything higher and more supreme than these Islamic values of which the people are deprived, and they lived in this contemporary ignorance that burned their morals, beliefs, and manners and rendered them like pasturing animals who are like animals and even more astray? Islam is the religion of light; Islam is the religion of profusion; Islam is the religion of good life. Yes!

"Then we must remember these valuable meanings ordered by the religion of God, the Great and Almighty. We should not be deceived or pay attention and not to be confused by what those criminals say. Those are the devils and helpers of Satan and soldiers for Satan. They drag the people with them, God's religion. (sentence as heard) They are those who invite at the doors of hell and those who answer them will be thrown in it and they do not care. Embracing God's religion means transforming the human from death to life. 'Can he who was dead, to whom We gave life, and a light whereby he can walk amongst men, be like him who is in the depths of darkness, from which he can never come out?' (Koranic verse; Al-Ana'm 6:122) Moving from disbelief to belief means being transferred from the deep black darkness to the light, as the Exalted He be, says: 'Whoever rejects evil and believes in Allah hath grasped the most trustworthy hand-hold, that never breaks. And Allah heareth and knoweth all things. Allah is the Protector of those who have faith: from the depths of darkness He will lead them forth into light. Of those who reject faith the patrons are the evil ones: from light they will lead them forth into the depths of darkness' (Koranic verse; Al-Baqarah 2:256-257). Then brothers, we must be proud of this religion and hold on to it for our glory, strength, ability, and comfort in life and the hereafter is set by how much we hold on to it, our clinging and our pride in our creed and belief. 'But honour belongs to Allah and His Messenger, and to the Believers' (Koranic verse; Al-Munafiqun 63:8). As for those who tumbled in the pits of being led astray, those who were deceived by names and the over decorated and the pleasures of this life, God, the Exalted He be, described them as: 'They are only like cattle;- nay, they are worse astray' (Koranic verse; Al-Furqan 25:44), 'for the worst of beasts in the sight of Allah are those who reject Him: They will not believe' (Koranic verse; Al-Anfal 8:55), 'for the worst of beasts in the sight of Allah are the deaf and the dumb,- those who understand not' (Koranic verse; Al-Anfal 8:22). Those are: 'They have hearts wherewith they understand not, eyes wherewith they see not, and ears wherewith they hear not. They are like cattle' (Koranic verse; Al-A'raf 7:179).

"Yes! Satan sat for the sons of Adam on this path to stand in between him and this great luxury, between this prevailing light that God, the Exalted He be, has honored us by for the entire humanity. Satan said: Do become a Muslim and leave the religion of you fathers and your ancestors? He disobeyed him (Satan) and became a Muslim; this person has passed the first obstacle, and he passed it by the grace of God and His religion, the Exalted He be. 'It is true thou wilt not be able to guide every one, whom thou lovest; but Allah guides those whom He will' (Koranic verse; Al-Qasas 28:56). Therefore, what you are into from belief, Islam, obedience, and untainted right and pure creed, is by what the grace of God, the Great and Almighty, bestows upon you, not by your experience or your expertise or your management or your inheritance, but rather 'that is the Grace of Allah, which He bestows on whom he pleases: and Allah is the Lord of Grace abounding' (Koranic verse; Hadid 57:21). ' Those whom Allah (in His plan) willeth to

guide, He openeth their breast to Islam; those whom He willeth to leave straying, - He maketh their breast close and constricted, as if they had to climb up to the skies' (Koranic verse; Al-An'am 6:125). 'No soul can believe, except by the will of Allah, and He will place doubt (or obscurity) on those who will not understand' (Koranic verse; Yunis 10:100). For God, the Exalted He be, is the one who gave you the permission to be in this religion. So cling to this luxury and thank God increasingly, the Exalted He be, for it.

"Then (Satan) sat in front of him in his path to Hijrah' (Hadith), but God, the prophet, may the prayers and peace of God be upon him mentioned in this hadith that the three great issues that have been repeatedly appended in God's Book (Koran): Islam, Hijrah, and jihad. Jihad, as God Almighty, said: 'Those who believed and those who suffered exile and fought (and strove and struggled) in the path of Allah, - they have the hope of the Mercy of Allah. And Allah is Oft-forgiving, most Merciful' (Koranic verse: Al-Baqarah; 2:218). And the Almighty said: 'Those who believed, and adopted exile, and fought for the Faith, with their property and their persons, in the cause of Allah' (Koranic verse: Al-Anfal 8:72) seek God's mercy and He is forgiving, and most Merciful.

"And He Almighty said: 'Those who believed, and adopted exile, and fought for the Faith, with their property and their persons, in the cause of Allah, as well as those who gave them asylum and aid' (Koranic verse: Al-Anfal; 8:72). And the Almighty said: 'Those who believed, and adopted exile, and fought for the Faith, with their property and their persons, in the cause of Allah' (Koranic verse: Al-Anfal; 8:72) is the greatest level (of faith) intended for God. So these three matters are repeatedly connected and mentioned numerous times in God Almighty's book: Islam, Hijrah (emigration), and jihad. Hijrah is the moving from non-Muslim countries to Muslim countries. This hadith, as proven by the repeated Koranic verses, shows us that parallel coexistence between believers and non-believers in one country is impossible and that a struggle will take place between the true believers and the non-believers and the misled, because Islam in itself does not accept untruthfulness and untruthfulness does not accept the true religion. For that reason the struggle between them (the believers and the non-believers) happens. So, either that the believers overcome the non-believers and defeat them and convert them to God Almighty's religion or they would pay the jizya 'they pay the jizya with willing submission, and feel themselves subdued' (Koranic verse: Al-Tauba 9:29), or that the non-believers overcome the believers or they (the believers) immigrate and leave the non-Muslim countries.

"This is (what is meant by) the Hijrah. For that reason God Almighty said in His great book: 'the Unbelievers said to their apostles: 'Be sure we shall drive you out of our land, or ye shall return to our religion' (Koranic verse: Ibrahim 14:13). There is no alternative in dealing with the non-believers. For those who are today searching for a ground of coexistence between the believers, the monotheists, the forgiven (of non-belief), and the believers in the pure and true faith, with the non-believers who say that God is Trinity and that: 'Uzair a son of Allah' (Koranic verse: Al-Tauba; 9:30) or worship people, stone, trees and rats, they want coexistence between them, those who clash with the universal laws of the religion of God Almighty before clashing with His laws of the Shari'ah. God Almighty said: 'The leaders, the arrogant party among his people, said: 'O Shu'aib! We shall certainly drive thee out of our city, thee and those who believe with thee; or else ye thou and they shall have to return to our ways and religion' (Koranic verse: Al-A'raf; 7:88). So the prophet, may the prayers and peace of God be upon him, said: 'Then Satan sat in front of him in his path to Hijrah' (Hadith), so he (the prophet) asked: will you immigrate? For he who immigrates is like a horse in countries. How do you leave this land, sky, country, job, family, wealth where you have lived, were raised and grew up, and move to a foreign and far away country and become restrained and unable to move around like a horse that is tied with a rope? For the immigrant is like a horse in a country. If you immigrate and leave behind your

land and your country then your documents will become revealed and your passport will not help you to move around. You will be wanted by the American intelligence or the Saudi intelligence or the Iraqi intelligence or the intelligence of this or that (country).

"So why do you make it hard for yourself when you are now in a safe, comfortable, and secure place with your children at your side and you teach and instruct them? When your wife is at your side and you have a stable job and a monthly salary? So why waste all this kind of life and move to hardship to a foreign country, to poverty, to pursuit, and to fear? But we say to Satan: 'you have lied for God Almighty has told us in His great book the opposite of what you said, for God Almighty said: 'He who forsakes his home in the cause of Allah, finds in the earth many a refuge, wide and spacious, should he die as a refugee from home for Allah and His Messenger, his reward becomes due and sure with Allah. And Allah is Oft-forgiving, Most Merciful' (Koranic verse: Al-Nisa; 4:100). Therefore, he finds on earth a refuge which means that he can move around on earth, move from one place to the other, so if the place does not suit him he would move to another place, for God Almighty said: 'O you servants of Mine who have attained to faith! Behold, wide is Mine earth. Worship Me, then, Me alone!' (Koranic verse: Al-Ankabut; 29:56) Do not bind yourself to a land or a house or a job or a sky, for the earth is God's earth and that of his worshippers, the worshippers are God Almighty's worshippers and the issue is God Almighty's issue. You will die whether you are in your land or in the land of immigration. There is no difference. So why bind yourself (to a place)? And why should you follow the call of Satan who tells you that an immigrant is like a horse in the country of immigration? The immigrant who is true in the faith of God, the Great and Almighty, is on his way to heaven once he puts his foot at the doorstep of his house. God Almighty said: 'He who forsakes his home in the cause of Allah, finds in the earth many a refuge, wide and spacious: Should he die as a refugee from home for Allah and His Messenger, his reward becomes due and sure with Allah' (Koranic verse: An-Nisa; 4:100). Nothing will matter to him who seeks God and abides by the Sunnah of the prophet, may the prayers and peace of God be upon him, whether he dies or is killed, for heaven will be his reward without doubt. God Almighty said: 'Those who leave their homes in the cause of Allah, and are then slain or die, on them will Allah bestow verily a goodly Provision' (Koranic verse: Al-Hajj; 22:58). And God Almighty said: 'And if ye are slain, or die, in the way of Allah, forgiveness and mercy from Allah are far better than all they could amass' (Koranic verse: Al-Imran; 3:157). This is better than what they amass, better than the world and what it contains, better than your high ranks, better than your power, and better than your standing. Why do you waste this great blessing and hold on to the transient world which you are about to leave to those who are going to come next? So worshipper of God, this is God's extensive land and this is a call from God the Almighty who is calling upon you through His Holy Book, and these are His Almighty's commands that are being repeated to you day and night. So invest for the sake of God, immigrate for the sake of God, forget about the world that you are holding on to and clinging to and which led you to lowness and humbleness until we became subordinate to other people. Yes, for the prophet, may the prayers and peace of God be upon him, said: 'But he disobeyed him and migrated from Makkah' (Hadith). So overcome the second obstacle. I ask God Almighty to grant us the understanding of what we heard and make us of the true immigrants and to seal our immigration, for He is the Forgiver and Generous Provider.

"All Praise is due to God. We worship Him, We seek His help and His forgiveness and we turn to Him in repentance. And we seek refuge in God from the evil within ourselves and our ill deeds. Whoever God guides cannot be led astray and whomever He leads astray, for him there is no guide. I testify that there is no god but God, with no partner, and that Muhammad is His servant, His messenger, and the chosen from among His creation. 'It is He Who hath sent His Messenger with guidance and the Religion of Truth, to proclaim it over all religion, even though the Pagans may detest it' (Koranic verse; Al-Tawbah 9:33).

"The prophet, may the prayers and peace of God be upon him, said: 'Then he sat in front of him in his path of jihad and said, 'Why should you do Jihad? It will only exhaust your wealth and body. You will be killed, your wife will marry someone else, and your wealth will be divided to others. But he disobeyed him and went for Jihad" (Hadith).

"As we have previously mentioned, these three issues are very much connected in God Almighty's holy book: Islam, Hijrah, and jihad. The prophet, may the prayers and peace of God be upon him, mentioned the third issue and that is jihad for the sake of God. He made it clear to us that Satan is exerting all his effort to stand between the worshipper and the bugle that summons to the field of jihad. Jihad as we know is the most difficult of adoration (worship) and that when God Almighty commanded it in His book, He said that a human being hates it, so He said: 'Fighting is prescribed for you, and ye dislike it' (Koranic verse: Al-Baqarah; 2:216). Yes it is hateful to you because in it is loss of money and souls and the separation from beloved ones entails hurt, sadness, fear, hardship, devotion, and other feelings. God will reward his worshippers who follow His path in a manner equivalent to their hardship and struggle. Satan pretends to be a wise adviser, whose intention is your welfare; yet he is the same Satan who expelled our parents from heaven, pretending to be their adviser. He (Satan) says you conduct jihad despite its hardship on the soul and wealth. Where do you want to go? Are you reckless, careless, and absent minded? You leave tranquility, peacefulness, and leisure to go to the crematories of Iraq or Afghanistan; you leave to go to the poor strange people in Somalia. This is the saying of the wise of this nation who are trying to prevent the youth from supporting their brothers, who are depleted by the war of the criminal crusader and others.

"Yes, Satan came disguised as an adviser. We all know that the Satan does not talk to us directly but through agents who talk on his behalf. His agent who speaks to us might be a non-believing man or a misguided scholar who will misguide you or he might be a man pretending to be a wise scholar.

"We should follow what is ordered in God's book. Did we not hear several times about scholars advising the youth against going to Iraq and they listed several points that prevent them from going to jihad.

"From where did they come up with all these obstacles they adhere to and want the youth of the nation to follow? Almighty God ordered us clearly in his book in a manner that is clear to the scholars and the laymen. He said: 'Go forth to war, whether it be easy or difficult for you, and strive hard in God's cause with your possessions and your lives: this is for your own good -if you but knew it!' (Koranic verse, Al-Tawbah 9:41)

"Do you think that this verse needs more clarification and philosophy? It is clear and obvious!

"The scholars agreed that if the enemy attacks a Muslim country, it is the duty of the people in that country to fight that enemy until it leaves their country. If they are unable, delinquent, or negligent, the duty falls upon the neighboring country and if they are unable or delinquent, it becomes the duty of the next country and so on until the duty becomes the duty of the whole nation.

"Were our brothers in Iraq able to defeat and expel the enemy? Were our mujahidin brothers in Afghanistan able to defeat and expel the enemy?

"For almost six years they have been fighting; their fighting has its ups and downs and how many martyrs fell? How many hostages fell in the hands of the non-believers? How many women are widowed? How many children became orphans in the orphanages?

"All these six years they are fighting, struggling, striving, and we still listen to those who try to prevent the youth from supporting their brothers. What kind of creed is this? What kind of faith orders a scholar to prevent the youth from supporting their brother? What is the value of these limitations?

"The duty of jihad falls upon the Iraqi, since he is oppressed, and the Saudi, Kuwaiti, or Syrian are not exempted from this duty because they are on the other side as the distance between them is two or three meters! Is this God's religion that you read in his book? Is that God's concern that you learned in the Sunnah of his prophet, prayers and peace be upon him?

"When a Jewish man exposed the genitals of a Muslim lady, the prophet, peace and prayers be upon him, fought Bin Qi'qa for her sake. This is God's religion, this is the creed that we learned, these are the orders we find in God's book. The philosophy, the temporary ideas, the deception, and the straying from the right path have no existence among us.

"To the youth of this nation, strive hard to support your brothers in Iraq and Afghanistan; strive hard to support your brothers in Somalia, Algeria, and Chechnya, and do not listen to Satan's suspicions that he dictates to his followers. Yes this is the religion of God we learned; whether they like it or not. He ordered us to strive hard and invited us to do so. 'Satan said: Why should you do jihad? It will exhaust your wealth and body. You'll be killed, your wife will marry someone else, and your wealth will be divided to others' (Hadith).

"These are the things to which humans adhere: 'If your fathers and your sons and your brothers and your spouses and your clan, and the worldly goods which you have acquired, and the commerce whereof you fear a decline, and the dwellings in which you take pleasure - (if all these) are dearer to you than God and His Apostle and the struggle in His cause, then wait until God makes manifest His will' (Koranic verse, Al-Tawbah 9:24).

"Those who are discouraged, shaking and waiting, we warn if you do not support them, as you supported them before when there was a jihad against the Soviet Union, by God you will face the same situation like them (they will attack you also), the reward is according to the action. The prophet, prayers and peace be upon him, said: 'But he disobeyed him and went for jihad' (partial Hadith).

"This is the status of the Muslim; this is the status of those who have a clear and correct faith, those who are motivated because of their allegiance toward their brothers and God's sanctity. The prophet, prayers and peace be upon him, said: 'It is a duty upon Allah that He shall enter the one who wins among them and dies, and if he gets killed it is the duty upon Allah that He shall enter him into paradise, and if he kills, it is a duty upon Allah that He shall enter him into paradise, and if he drowns, it is a duty upon Allah that He shall enter him into paradise, and if his animal broke his neck, it is a duty upon Allah that He shall enter him into paradise' (Hadith). "The following of Islam, emigration, and jihad is the guaranteed path to heaven. For those who are seeking heavens and God Almighty's pleasure; to those who are seeking to be among the companions of Muhammad, prayers and peace be upon him and his companions, the path to God and heaven is clear.

"O men! Verily, God's promise of resurrection is true indeed: let not, then, the life of this world delude you, and let not your own deceptive thoughts about God delude you' (Koranic verse, Fatir 35:5).

"By God, a saving path which will lead to heaven or a destroying path leads to punishment in the hell fire. God worshippers, why are you wasting these blessings? Why are you wasting God's great gift? For the sake of a job, trade, money, or an ignorant person!

"Expel those criminals who have spoiled the land and the worshippers, destroyed morals, and ruined characters. They built upon the ruins of the religion of God Almighty a credo of absconding, polytheism, loss, adultery, alcoholism, and prostitution so that the children of Muslims have come to deny their religion, for there is no power or strength except through God. Oh God, glorify your religion, your book, and your believing worshippers. Oh God, glorify your religion, your book, and your believing worshippers. Oh God, grant your worshipping mujahidin timely victory and open their ways with clarity. Oh God, grant them support through your soldier, you, who possess soldiers in heaven and on earth. Oh God, they are poor, grant them wealth. Oh God they are hungry, give them sustenance. Oh God they are disbanded, grant them sanctuary. Oh God they are homeless, gather them. Oh God, defend them oh you who defends the believers. Oh God release your worshippers who are imprisoned and anguished. Oh God grant them ease from every tribulation and from ever worry a release. Bless them with that upon which they do not count. Oh God speed their delivery and their rescue. Oh God release them from the prisons of the Jews and the Christians and from the prisons of the apostates, the atheists, the Hindus, the Rejectionists, and the Buddhists, for you are a Hearer, near and responsive. Oh God, prayers be upon the pinnacle of your creatures, Muhammad, and upon all his family and friends, and the last prayer is to thank God Almighty."
