Al-Qaeda in the Land of the Two Rivers has issued a statement of encouragement to the Mujahideen brothers specifically and to the Ummah in general that draws from the past battles of the Prophet (PBUH) and explains why Jihad is the only way against the enemies of Allah. Here is their address, uncut and uncensored as translated by JUS.

We remind our viewers that the statements, opinions and points of view expressed in this article are those of the author and shall not be deemed to mean that they are necessarily those of Jihad Unspun, the publisher, editor, writers, contributors or staff.

The Al-Ahزاب (The Clans, The Coalition, The Combined Forces, Confederates) War Again! , Praise be to Allah who gives the victory to the Mujahideen and it is He who defeats and disgraces the cross worshippers and apostates and its He who we give praise when the enemy's castles crumble.

Peace and praise upon he who smite the necks of the cross worshippers with his sword, his family and his companions and all those who following him until the Day of Judgment. Allah promise to the Sunnis still gives victory to Mujahideen and worshippers who are waiting for His victory as Allah said:

{Verily, Allah will help those who help his cause. Truly, Allah is All Powerful, All Mighty} Al-Hajj 40.

So here it is, the cross worshippers and apostates confederates are coming back in the form of the Ministry of Defense in al-Jaafari's apostate government that has provided help and support to the cross worshippers. In particular, their leaders have campaigned with the American and cross worshippers forces in order to fight the Sunnis and destroy them but why? Allah is the support of the Sunni Mujahideen.

So we write these words to our heroes, the Mujahideen brothers, to support them and our Ummah to fight Allah's enemies who campaigned together to destroy the Muslim nation
First To The Youth: Come To Jihad, Come To Jihad And Don't Hesitate
Mujahideen! Your going and asking for martyrdom is the reason of being strong in the life and the religion of Islam will not be the leading again until we have attacked and destroyed the castles of the cross worshippers and apostate castles and until we penetrate their formations in rows and destroy them and explode them . The martyr's place is the blessed place in paradise that Allah talks about.

{And of mankind is he who would sell himself, seeking the Pleasure of Allah. And Allah is full of Kindness to (His) slaves.} Al-Baqarah 207

Islam will not return to lead this world until we have fastened feet firmly to the ground and strengthened our hearts to fight and return to the path of Jihad.

Here it is the example of the prophet Dawud (Daivd) peace and bless be upon him. Allah did not support him with his victory till he came to the death him self by killing Jalut (Goliath).

{So they routed them by Allah's Leave and Dawud (David) killed Jalut (Goliath), and Allah give him (Dawud) the kingdom [after the death of Talut (Saul) and Samuel) and Prophethood, and taught him of that which he willed. And if Allah did not check one set of people by means of another, the earth would indeed be full of mischief. But Allah is full of bounty to mankind, jinn and all that exists.} Al-Baqarah 251.

And this is the result that comes with Jihad and destroying the cross worshippers and apostate castles.

In Paradise, the martyrs who fastened their feet to the ground and reach the highest place in paradises, Allah will laugh with them as our beloved prophet Mohammed {peace and prayers be upon him} told us:

"The best martyrs are those who fights in the first fighting rows and they did not turn their faces back until they killed Allah's enemies; those are the people that Allah with laugh with and if Allah laughs with his slave there is no account for him from the other life."

But being a coward and running away from Jihad is leading to both lose of life and death.

Musa (Moses) asked his nation to fight with him and support him in destroying castles of the Kufar but they did not respond for they were cowards so Allah punished them and disgraced them by placing them in the desert for 40 years. These cowards did not deserve the honor of being Mujahideen and disbelieving is their nature and they were truly cowards because they said to Musa: "They are strong in those countries and we are not able to fight them "

We pray to Allah to stabilize our hearts on path of Jihad and ask Him to not turn our hearts away from His way. Let us destroy the arrogance of the Americans and cross worshippers by Your faithful shots, never sleeping without holding our guns, keeping our explosive belts around our bodies and keeping our bombs our pillows as Allah said:

{take every precaution for yourselves .Verily, Allah has prepared a humiliating torment for the disbelievers}, An-Nisa 102.

So don't give up and don't obey the devil and his companions of cross worshipers and apostates. This plan that the apostate al-Jaafari's government released is to root out the Sunnis as they did with our brothers in Abu Gharib by attacking their houses, killing them and playing with their bodies so there is no way left except Jihad. Let us die for the word of Allah.

Secondly: Fear Allah, Fear Allah

Fearing Allah, praise be to Him, is the reason of the victory and the secret that the Mujahideen run to their death without fear because they fear Allah only as they go on regardless of the dangers of Jihad. Allah sees killing ourselves as a mark of believing and of the love we have for Him in our hearts.

Allah said:

{O you who believe! Whoever from among you turns back from his religion [Islam], Allah will bring a people whom he will love and they will love him; humble towards the believers, stern towards the disbelievers fighting in the way of Allah, and never fear the blame of the blamers. That is the grace of Allah which he bestows on whom he wills. And Allah is All Sufficient for the needs of his creatures', the All Knower.} Al-Ma'idah 54.

Allah has made two marks upon the believer's; one is following the messenger Mohammed, peace and prayers be upon him, and the other one is Jihad. Sheikh Ibn Taymiya said that "the Mujahid who fears Allah is the hero that carries his weapon and attacks his prey like the lion so fearing Allah is the difference between the hero that fastens his feet to the ground and the hypocrite that hesitates " and he said that " this man does not fear until his heart is not sincere to Allah"

Allah commanded us to not fear the cross worshippers and fear Him alone:

{Do you fear them? Allah has more right that you should fear Him if you are believers} Al-Taubah 13.

Fearing Allah is the main reason to fight the cross worshippers, even if they are more in number and more in power and our prophet Mohammed (peace and prayers be upon him) was the first one to fight the kuffar and even though they were outnumbered and out powered, he beat them in all his wars. This is because he feared Allah only. Running away from Jihad does not increase or decrease the life:

{Say [O Mohammed to these hypocrites who ask you permission to run away from you]: flight will not avail you if you flee from death or killing and then you will enjoy no more than a little while!} Al-Ahzab 16.

So let us run to the Jihad and the result is one of two good things: victory or martyrdom.

Thirdly: Sincerity In Being Faithful To Allah

Sincerity to Allah is one of the biggest reasons that the disbelievers' army can be destroyed even when the Mujahideen army is surrounded:

{When they came upon you from above you and from below you, and when the eyes grew wild and the hearts reached to the throats, and you were harboring doubt Allah} Al- Ahzab 10.

Believing is the way to be strong Muslim and it is the treatment for weakness.

{And when the believers saw Al-Ahzab (the confederates) they said "this what Allah and his Messenger (Mohammed, peace and blessings be upon him) had promised us and Allah and his Messenger (Mohammed, peace and blessings be upon him) had spoken the truth. And it only add to their faith and to their submissiveness (to Allah)} Al-Ahzab 22.

By being sincere to Allah, He will defend you:

{Allah drove back those who disbelieved in their rage, they gained no advantages (booty). Allah sufficed for the believers in the fighting (by sending against the disbelievers a severe wind and troops of angels) And Allah is ever All Strong, All Mighty} Al- Ahzab 25.

Allah gives His victory to the Believers like this when he sees sincerity in their hearts, just like he did for the companions in Al-baya'ah war when Allah saw the believer's hearts faithful to him, he granted them victory and guided their ways and hearts to the righteous things. This is why the Islamic Sheikhs said "if the people become indifferent in anything, look to what the Mujahideen do because Allah guides them and his reward to them is Paradise".

{..and whosoever strives only for himself. Verily Allah stands not in need of any of the Alamin (mankind, jinn, and all that exists)} Al-Ankabut 5.

Allah is not in need of us; we are in need to him, so there is no way but the way of the Mujahideen.

Allahu Akbar..Allahu Akbar..Allahu Akbar

Praise Be To Allah, His Messenger and the Mujahideen
